Understanding Pope Francis Joseph R. Blaney, 2021-07-13 Understanding Pope Francis Message Media

and Audience offers several chapters which illuminate the often misunderstood but widely discussed leader of the Roman Catholic Church Pope Francis. With 1.3 billion baptized members living throughout every continent, communication by and about him is a subject deserving to be understood. As technology makes the global village predicted by Marshall McLuhan more apparent, the complexities of leading an organization across geographic boundaries with differing ideas about culture and governance present a great need to be nuanced. Indeed, cautious about messages communicated across diverse media platforms and consumed by divergent audiences, this book lays bare the messages Pope Francis produces the way that varying platforms/media present those messages and the complex ways in which audiences formulate their interpretations.

Franciscan Writings Dawn M. Nothwehr, OSF, 2023-05-18 This book explains key Franciscan values and a hope-filled vision of peace, justice, and sustainability for all of creation. Dawn M. Nothwehr engages with a wide variety of topics such as ecological sin, environmental destruction, a positive Franciscan soteriological path forward, practical tools necessary for conversion, planet healing, actions, and life-sustaining changes. Part 1 includes two chapters on the Old and New Testament texts frequently utilized by St. Francis and St. Clare that uphold values essential for Franciscan ecotheology. Part 2 features a chapter on St. Francis and one on St. Clare, mapping the distinct major landmarks of their vernacular theologies on creation care. The two chapters of Part 3 first outline the formal Franciscan theology and spirituality of St. Bonaventure of Bagnoregio before diving into the Christology and ethics of Blessed John Duns Scotus. In four chapters, Part 4 focuses on major ecological issues with an interdisciplinary approach considering current science, Franciscan theology, ethics, spirituality, and praxis. Designed for classroom use, each chapter includes a wide variety of pedagogical features: primary texts, reflection, and application questions for reflection and discussion, suggestions for action, a short prayer, and suggestions for further study.

The Catholic Sexual Abuse Scandal Jerry J. Paresa, 2021-09-23 An enduring solution starts with the correct diagnosis. The Catholic Clergy Sexual Abuse Scandal has haunted the lives of its victims and the Catholic community at large for decades. Even today it continues to undermine the credibility of the Church and dishearten its faithful. Catholics remain rightfully frustrated and disappointed as Church leaders try to move beyond this ugly chapter without creating a cohesive plan to address the underlying issues that contributed to the scandal in the first place. Media coverage has often oversimplified these contributing factors, leaving many with the impression that simplistic solutions can fix the Church's problems. This is not the case. Written from an insider's perspective, this book strives to dispel unhelpful caricatures and more fully examine the broad contextual and aggravating factors that make the Catholic Clergy Sexual Abuse Scandal what it is. It is heavily researched work designed to help parishioners, priests, and Church leaders more clearly consider the complexities of the crisis so that they may continue to make informed, concrete, and effective steps to heal the Church and its people. **A Culture of Engagement**

Cathleen Kaveny, 2016-03-01 Religious traditions in the United States are characterized by ongoing tension between

assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny s articles from Commonweal magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational A Culture of Engagement is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life

Faith and Power Felipe Hinojosa, Maggie Elmore, Sergio M. González, 2022-02-22 Faith and Power is framed within the larger processes of immigration refugee policies deindustrialization the rise of the religious left and right the human rights revolution and the Chicana o Puerto Rican and Immigrant freedom movements The book explores religion and religious politics as part of the larger ecosystem that has shaped Latina o communities specifically and American politics in general
