Migrant World Making Sergio F Juárez, Julia Khrebtan-Hörhager, Michael Lechuga, Arthur Soto-Vásquez, 2023-12-01 For most migrants developing communication strategies in host countries is vital for finding social connections navigating the pressures of assimilation and maintaining links to their original cultures Migrant World Making explores this process of constructing a homeplace by creating a network of communication tools and strategies to connect with multiple communities Since what it means to be a migrant

differs from person to person the contributors to this edited collection showcase numerous practices migrants adopt to communicate and connect with others as they forge their own identities in globalized yet highly nationalistic societies With varying aspirations and motives for seeking new homes migrants build communities by telling stories engaging in social media activism protesting writing scholarly criticism and using many other modes of communication To match this variety the transnational scholars represented here use a wide array of rhetorical cultural and communication methodologies and epistemologies to describe what the experience of migration means to those who have lived it

People, Technology, and Social Organization Dirk vom Lehn, Will Gibson, Natalia Ruiz-Junco, 2023-10-19 This insightful and accessible book is a response to the increasing important role that technology plays in everyday life and the urgent need for empirical studies that analyse the impact of technology on social practices The chapters in this co edited collection reveal how technology is oriented to and embedded within the social organization of action in a wide range of settings and institutions including education markets arts and culture health and social care media politics and science In their analyses the contributing authors adopt interactionist perspectives to explore how the meanings of technology emerge and are negotiated within and through action and interaction The volume comprises 14 empirical chapters from authors working in fields such as symbolic interactionism ethnomethodology conversation analysis discourse methods ethnographic enquiry video based methods and others The chapters are framed by an introduction and a concluding discussion by the co editors which draws out the key themes and issues that the individual chapters speak to and show the importance of these themes for the social sciences and for society The book is primarily aimed at researchers in the social sciences including sociology social psychology organization studies and beyond whose work is concerned with the interplay between social interaction technology and institutions

A Sociology of Crime Stephen Hester, Peter Eglin, 2017-05-15 A Sociology of Crime has an outstanding reputation for its distinctive and systematic contribution to the criminological literature Through detailed examples and analysis it shows how crime is a product of processes of criminalisation constituted through the interactional and organizational use of language In this welcome second edition the book reviews and evaluates the current state of criminological theory from this grammatical perspective It maintains and develops its critical and subversive stance but greatly widens its theoretical range including dedicated chapters on gender race class and the post als including postcolonialism It now also provides questions exercises and further readings alongside its detailed analysis of a set of international examples both classical and contemporary

An Oral History of the Palestinian Nakba Doctor Nahla Abdo, Nur Masalha, 2018-05-15 In 2018 Palestinians mark the 70th anniversary of the Nakba when over 750 000 people were uprooted and forced to flee their homes in the early days of the Israeli Palestinian conflict Even today the bitterness and trauma of the Nakba remains raw and it has become the pivotal event both in the shaping of Palestinian identity and in galvanising the resistance to occupation Unearthing an unparalleled body of rich oral testimony An Oral History of the

Palestinian Nakba tells the story of this epochal event through the voices of the Palestinians who lived it uncovering remarkable new insights both into Palestinian experiences of the Nakba and into the wider dynamics of the ongoing conflict Drawing together Palestinian accounts from 1948 with those of the present day the book confronts the idea of the Nakba as an event consigned to the past instead revealing it to be an ongoing process aimed at the erasure of Palestinian memory and history In the process each unique and wide ranging contribution leads the way for new directions in Palestinian scholarship

Deviant Behaviour (Routledge Revivals) Paul Rock,2014-06-17 This book first published in 1973 explores the manner in which conceptions of deviancy arise and shows how the attitudes of non deviants of society and of authority are as instrumental in forming these conceptions as the actions of the deviants themselves Chapters include discussions on the definition of deviants and deviancy and the enforcement of the law alongside a detailed introduction This title will be of particular value to students and scholars with an interest in criminology and the sociology and psychology of deviancy

Class, Politics and the Economy (Routledge Revivals) Stewart Clegg,Paul Boreham,Geoff Dow,2014-11-06 This study first published in 1986 provides a systematic account of the processes and structure of class formation in the major advanced capitalist societies The focus is on the organizational mechanisms of class cohesion and division theoretically deriving from a neo Marxian perspective Chapters consider the organization and structure of the corporate ruling class the middle class and the working class and are brought together in an overarching analysis of the organization of class in relation to the state and the economy This title will be of particular interest to students researching the impact of recession on societal structure and the processes of political class struggle as well as those with a more general interest in the socio economic theories of Marx Engels and Weber **Max Weber on Economy and Society (Routledge Revivals)** Robert Holton,Bryan

Turner,2010-10-22 First published in 1989 this re issue concerns itself with the relevance of Max Weber s sociology for the understanding of modern times The book outlines key tenets of Weber s sociology and points to the valuable legacy of Weber s thought in contemporary intellectual debate particularly with regard to secularization and rationalization of global cultures the crisis of Marxism the rise of the New Right and the emergence of post modernism This book offers an authoritative and insightful study which brings to light not only the contemporary relevance of Weber s social theory but also offering a broad perspective for the analysis of social questions
