Democracy In America In Two Volumes

Alexis De Tocqueville, Henry Reeve

Democracy In America In Two Volumes:

Democracy in America Alexis de Tocqueville, 2012-10-18 Alexis de Tocqueville 1805-59 came to America in 1831 to see what a great republic was like. What struck him most was the country's equality of conditions and its democracy. The book he wrote on his return to France, *Democracy in America*, is both the best ever written on democracy and the best ever written on America. It remains the most often quoted book about the United States not only because it has something to interest and please everyone but also because it has something to teach everyone. When it was published in 2000, Harvey Mansfield and Delba Winthrop's new translation of *Democracy in America* only the third since the original two-volume work was published in 1835 and 1840, was lauded in all quarters as the finest and most definitive edition of Tocqueville's classic. Thus far, Mansfield and Winthrop have restored the nuances of Tocqueville's language with the expressed goal to convey Tocqueville's thought as he held it rather than to restate it in comparable terms of today. The result is a translation with minimal interpretation but with impeccable annotations of unfamiliar references and a masterful introduction placing the work and its author in the broader contexts of political philosophy and statesmanship.

Democracy in America Alexis de Tocqueville, 1970

Democracy in America Alexis De Toqueville, 2015-08-02 *Democracy in America* was published in two parts. In 1831, the French government sent Tocqueville, then a 35-year-old aristocrat and statesman, on a mission to report on the US prison system. During his nine-month trip, however, he and his buddy Gustave de Beaumont recorded much more: the budding nation's economic and political system and its social, cultural, and religious systems during a tumultuous Jacksonian political era. The central focus of *Democracy in America* is the study of the nature of representative democracy: why it had succeeded in the US and failed throughout Europe. With no punches pulled, Tocqueville also does a solid job of predicting where democracy was headed in the US, including the dangers of democracy: tyranny of the majority as well as the threats to democracy such as the divisive nature of slavery and a future rivalry with Russia.

Democracy in America Alexis de Toqueville, 2022-11-13 In *Democracy in America*, Alexis de Tocqueville presents a profound exploration of the young American democracy and its societal implications following his visit in the early 1830s. Structured as a two-volume work, Tocqueville's literary style combines astute observations, philosophical analysis, and sociological insights reflecting the Enlightenment thought prevalent in 19th-century Europe. He meticulously examines the principles of equality, individualism, and the interplay between liberty and social order, offering a balanced critique of democracy's strengths and weaknesses, which has become a seminal text in political theory and sociology. Alexis de Tocqueville, a French aristocrat and political thinker, was profoundly influenced by the turbulent political landscape of his homeland, which experienced revolutions and upheavals during his lifetime. His commitment to understanding democracy was informed by his own observations of the American experiment, contrasting it with Europe's struggles to achieve similar democratic ideals. His nuanced perspectives as a foreign observer provide invaluable insights into the social fabric and political dynamics of early America, making the text a

significant contribution to comparative politics I highly recommend Democracy in America to readers seeking to grasp the complexities of democratic society and its implications for contemporary governance Tocqueville's insights remain remarkably relevant today as they encourage critical reflection on the nature of freedom equality and civic responsibility making it essential reading for anyone interested in the evolutionary trajectory of democratic ideals

Democracy in America Alexis de Tocqueville, 2018-07-27 De La Démocratie en Amérique published in two volumes the first in 1835 and the second in 1840 is a classic French text by Alexis de Tocqueville Its title translates as On Democracy in America but English translations are usually simply entitled Democracy in America In the book Tocqueville examines the democratic revolution that he believed had been occurring over the previous several hundred years

Democracy in America Alexis De Tocqueville, 2015-08-02 Democracy in America was published in two parts In 1831 the French government sent Tocqueville then a 35 year old aristocrat and statesman on a mission to report on the US prison system During his nine month trip however he and his buddy Gustave de Beaumont recorded much more the budding nation's economic and political system and its social cultural and religious systems during a the tumultuous Jacksonian political era The central focus of Democracy in America is the study of the nature of representative democracy why it had succeeded in the US and failed throughout Europe With no punches pulled Tocqueville also does a solid job of predicting where democracy was headed in the US including the dangers of democracy tyranny of the majority as well as the threats to democracy such as the divisive nature of slavery and a future rivalry with Russia

Democracy in America Alexis de Tocqueville, 2006-09

Democracy in America Alexis De Tocqueville, Henry Reeve, 2024-11-24 The Americans live in a democratic state of society which has naturally suggested to them certain laws and a certain political character This same state of society has moreover engendered amongst them a multitude of feelings and opinions which were unknown amongst the elder aristocratic communities of Europe it has destroyed or modified all the relations which before existed and established others of a novel kind The aspect of civil society has been no less affected by these changes than that of the political world The former subject has been treated of in the work on the Democracy of America which I published five years ago to examine the latter is the object of the present book but these two parts complete each other and form one and the same work I must at once warn the reader against an error which would be extremely prejudicial to me When he finds that I attribute so many different consequences to the principle of equality he may thence infer that I consider that principle to be the sole cause of all that takes place in the present age but this would be to impute to me a very narrow view A multitude of opinions feelings and propensities are now in existence which owe their origin to circumstances unconnected with or even contrary to the principle of equality Thus if I were to select the United States as an example I could easily prove that the nature of the country the origin of its inhabitants the religion of its founders their acquired knowledge and their former habits have exercised and still exercise independently of democracy a vast influence upon the thoughts and feelings of that people Different causes but no

less distinct from the circumstance of the equality of conditions might be traced in Europe and would explain a great portion of the occurrences taking place amongst us I acknowledge the existence of all these different causes and their power but my subject does not lead me to treat of them I have not undertaken to unfold the reason of all our inclinations and all our notions my only object is to show in what respects the principle of equality has modified both the former and the latter Some readers may perhaps be astonished that firmly persuaded as I am that the democratic revolution which we are witnessing is an irresistible fact against which it would be neither desirable nor wise to struggle I should often have had occasion in this book to address language of such severity to those democratic communities which this revolution has brought into being My answer is simply that it is because I am not an adversary of democracy that I have sought to speak of democracy in all sincerity Men will not accept truth at the hands of their enemies and truth is seldom offered to them by their friends for this reason I have spoken it I trust that my readers will find in this Second Part that impartiality which seems to have been remarked in the former work Placed as I am in the midst of the conflicting opinions between which we are divided I have endeavored to suppress within me for a time the favorable sympathies or the adverse emotions with which each of them inspires me If those who read this book can find a single sentence intended to flatter any of the great parties which have agitated my country or any of those petty factions which now harass and weaken it let such readers raise their voices to accuse me The subject I have sought to embrace is immense for it includes the greater part of the feelings and opinions to which the new state of society has given birth Such a subject is doubtless above my strength and in treating it I have not succeeded in satisfying myself But if I have not been able to reach the goal which I had in view my readers will at least do me the justice to acknowledge that I have conceived and followed up my undertaking in a spirit not unworthy of success A De T

Democracy in America Alexis De Tocqueville, 2009-01-01 Alexis de Tocqueville's *Democracy in America* De la démocratie en Amérique is a classic text detailing the United States of the 1830s showing a primarily favorable view by Tocqueville as he compares it to his native France Considered to be an important account of the U S democratic system it has become a classic work in the fields of political science and history It quickly became popular in both the United States and Europe *Democracy in America* was first published as two volumes one in 1835 and the other in 1840 both are included in this edition

Democracy in America Alexis De Tocqueville, 2015-05-15 De la démocratie en Amérique published in two volumes the first in 1835 and the second in 1840 is a classic French text by Alexis de Tocqueville Its title translates as *Of Democracy in America* but English translations are usually entitled simply *Democracy in America* In the book Tocqueville examines the democratic revolution that he believed had been occurring over the past seven hundred years In 1831 Alexis de Tocqueville and Gustave de Beaumont were sent by the French government to study the American prison system In his later letters Tocqueville indicates that he and Beaumont used their official business as a pretext to study American society instead They arrived in New York City in May of that year and spent nine months traveling the United States studying the prisons

and collecting information on American society including its religious political and economic character The two also briefly visited Canada spending a few days in the summer of 1831 in what was then Lower Canada modern day Quebec and Upper Canada modern day Ontario After they returned to France in February 1832 Tocqueville and Beaumont submitted their report *Du systeme penitentiaire aux Etats Unis et de son application en France* in 1833 When the first edition was published Beaumont sympathetic to social justice was working on another book *Marie ou L esclavage aux Etats Unis* two volumes 1835 a social critique and novel describing the separation of races in a moral society and the conditions of slaves in the United States Before finishing *Democracy in America* Tocqueville believed that Beaumont s study of the United States would prove more comprehensive and penetrating

Getting the books **Democracy In America In Two Volumes** now is not type of inspiring means. You could not isolated going considering book store or library or borrowing from your friends to get into them. This is an entirely simple means to specifically acquire lead by on-line. Democracy In America In Two Volumes Introduction

In the digital age, access to information has become easier than ever before. The ability to download Democracy In America In Two Volumes has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Democracy In America In Two Volumes has opened up a world of possibilities. Downloading Democracy In America In Two Volumes provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Democracy In America In Two Volumes has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Democracy In America In Two Volumes. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Democracy In America In Two Volumes. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Democracy In America In Two Volumes, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Democracy In America In Two Volumes has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Democracy In America In Two Volumes Books

What is a Democracy In America In Two Volumes PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Democracy In America In Two Volumes PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Democracy In America In Two Volumes PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Democracy In America In Two Volumes PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Democracy In America In Two Volumes PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
