An American Story Debra J. Dickerson, 2001-09-18 A profoundly courageous and insightful memoir *An American Story* documents the events that have shaped journalist Debra Dickerson's conscience The daughter of former sharecroppers Dickerson never imagined she would emerge from her squalid St Louis neighborhood to become an acclaimed journalist with a Harvard Law degree A constant reader and a straight A student nevertheless Dickerson's lack of confidence kept her from accepting the many colleges offers she received Instead she enlisted in the U S Air Force quickly rising through the ranks In spite of her success she recognized within herself deep seated conflict at being a working class black woman living in a white man's world Her path to self acceptance is at the heart of this refreshing narrative A Christian from Egypt: Life Story of a Neurosurgeon Pursuing the Dreams for Quintuple Certifications RAMSIS F. GHALY MD FACS, 2015-01-23 This book is my life story as a Coptic Christian raised in Egypt Where no one from my family has ever moved away for thousands of years

through the rise and falls of ancient pharaohs and deep roots of ancient Christianity It is also the story of my parents raising 10 children since 1953 in an environment of extreme poverty where resources and opportunities were limited with unrelenting prejudice towards Christian minorities So I came to the United States the land of opportunity and became a prominent American neurosurgeon among the only 4000 active nationwide and the only one nationally and internationally to achieve five board certifications in five acknowledged medical disciplines I continue to practice and serve the mission set before me My home land was once prosperous and rich in history Over the centuries it joined the downfall of the majority of the developing countries of the world through its economic crises and injustices to many It was the land for the fathers of early Christians and the foundation for worldwide Christians Now the Coptic Christians are considered a minority constituting a mere 10% of the population and are joining the exodus of ancient Christians from their native African continent This book chronicles my journey from the land of history the land of my birth to the land of opportunity America It outlines the socioeconomic and political changes that Egypt has seen over the last century It is my hope that others may find inspiration and understanding of my culture through reading this book I owe it all to Christ the Lord my cherished parents my family and friends my teachers my mentors and especially my beloved patients
