United Arab Emirates International Monetary Fund. Middle East and Central Asia Dept., 2015-08-04 This 2015 Article IV Consultation highlights that United Arab Emirates has continued to benefit from its perceived safe haven status and large fiscal and external buffers that have helped limit negative spillovers from lower oil prices sluggish global growth and volatility in emerging market economies Non oil growth remained robust at 4.8 percent in 2014 driven by construction The economic outlook is expected to moderate amid lower oil prices Non oil growth is projected to slow to 3.4 percent in 2015 before increasing to 4.6 percent by 2020 supported by the implementation of mega projects and private investment in the run up to Expo 2020

Automation for Robotics Luc Jaulin, 2015-02-23 In order to enable a better understanding of the key concepts of automation this book develops the fundamental aspects of the field while also proposing numerous concrete exercises and their solutions The theoretical approach that it presents fundamentally uses the state space and makes it possible to process general and complex systems in a simple way involving several switches and sensors of different types This approach requires the use of developed theoretical tools such as linear algebra analysis and physics generally taught in preparatory classes for specialist engineering courses

The Report:

Nigeria 2017 , The Vietnam War and International Law, Volume 4 Richard A. Falk, 2015-03-08 This concluding volume of The Vietnam War and International Law focuses on the last stages of America's combat role in Indochina. The articles in the first section deal with general aspects of the relationship of international law to the Indochina War. Sections II and III are concerned with the adequacy of the laws of war under modern conditions of combat and with related questions of individual responsibility for the violation of such laws. Section IV deals with some of the procedural issues related to the negotiated settlement of the war. The materials in Section V seek to reappraise the relationship between the constitutional structure of the United States and the way in which the war was conducted while the final section presents the major documents pertaining to the end of American combat involvement in Indochina. A supplement takes account of the surrender of South Vietnam in spring 1975. Contributors to the volume: lawyers, scholars, and government officials include Dean Rusk, Eugene V. Rostow, Richard A. Falk, John Norton Moore, and Richard Wasserstrom. Originally published in 1976, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
