Seven Last Words Timothy Radcliffe, 2005-03-04 The Seven Words from the Cross are the focus of Christian meditation through the ages Set to music by Haydn they epitomise the depth of Jesus's human experience and thus speak most profoundly to the human condition Each meditation is illustrated with a picture of Christ on the Cross Many are old masters some more modern The object is to lead the reader deeply into prayer and contemplation But there is nothing fusty about Radcliffe's text Whatever he writes is a breath of fresh air and these meditations are modern and contemporary in their reference There are also many autobiographical touches which make these meditations more personal This is perfect Lent reading by a spiritual master and one of the few Christian prophets in our time

An Ode to Joy Erica Brown, Shira Weiss, 2023-12-13 Before his rather sudden passing in 2020 Rabbi Lord Jonathan Sacks was one of the most eloquent and influential religious leaders of the generation As Chief Rabbi of the United Hebrew Congregations of the Commonwealth for over two decades he offered a universal message cultivated from the Jewish and Western canons he knew so well One concept that figured prominently in his work was joy I think of Judaism as an ode to joy he once wrote Like Beethoven Jews have known suffering isolation hardship and rejection yet they never lacked the religious courage to rejoice In this volume organized by the Rabbi Lord Jonathan Sacks Herenstein Center for Values and Leadership academics and writers explore the significance of joy within the Jewish tradition These essays and reflections discuss traditional Jewish primary sources including Biblical Rabbinic and Hebrew literature Jewish history and philosophy

education the arts and positive psychology and of course through the prism of Lord Sacks work Future Tense Jonathan Sacks, 2012-08-07 We are in danger says Rabbi Sacks of forgetting what Judaism's place is within the global project of humankind The Jewish people exist for a reason and it is not for themselves alone They must recommit themselves to their foundational purpose to the task of creating a just world in which the divine presence can dwell among us all Without compromising one iota of Jewish faith Rabbi Sacks declares Jews must stand alongside their friends Christian Muslim Hindu Sikh Buddhist and secular humanist in defense of freedom against those who desecrate life And they should do this not to win friends or the admiration of others but because it is what a people of God is supposed to do Rabbi Sacks's powerful message of tikkum olam using Judaism as a blueprint for repairing an imperfect world will resonate with people of all faiths

The Power of Ideas Jonathan Sacks, 2021-10-11 Britain's most authentically prophetic voice Daily Telegraph The choice with which humankind is faced is between the idea of power and the power of ideas From his appointment as Chief Rabbi in 1991 through to his death in November 2020 Rabbi Lord Jonathan Sacks made an incalculable contribution not just to the religious life of the Jewish community but to the national conversation and increasingly to the global community on issues of ethics and morality Commemorating the first anniversary of his death this volume brings together a compelling selection of Jonathan Sacks BBC Radio Thought for the Day broadcasts Credo columns from The Times and a range of articles published in the world's most respected newspapers along with his House of Lords speeches and keynote lectures First heard and read in many different contexts these pieces demonstrate with striking coherence the developing power of Sacks ideas on faith and philosophy alike In each instance he brings to bear deep insights into the immediate situation at the time and yet it as if we hear him speaking to us afresh giving us new strength to face the challenges and complexities of today's world These words of faith and wisdom shine as a beacon of enduring light in an increasingly conflicted cultural climate and prove the timeless nature and continued relevance of Jonathan Sacks thought and teachings One of the great moral thinkers of our time Robert D Putnam author of *Bowling Alone* *Facing the Unknown Future* Ina ter Avest, Cok Bakker, Julia Ipgrave, Silke Leonhard, Peter Schreiner, 2020 During the 20 year history of the European Network for Religious Education through Contextual Approaches ENRECA several books have been published on the subject of Religious Education from sociological psychological or anthropological perspectives and always in the contextual settings of national educational frameworks and other specific culturally bound phenomena Also very often an international comparative perspective was included The shared goal was not so much to reflect on religion as such and on its changing doctrines institutions and prescriptions but to try and understand religion in the specific European contexts of secularization and the plurality of life orientations and to understand how religion becomes manifest in education in a variety of concrete policies and classroom practices reflecting various social issues This volume marking the 20th anniversary of ENRECA has a specific focus on the contextual dimension of time

Strengths-Based Nursing Care Laurie N. Gottlieb, 2012-08-22 This is the first practical guide for nurses on how to incorporate the knowledge, skills, and tools of Strength Based Nursing Care (SBC) into everyday practice. The text, based on a model developed by the McGill University Nursing Program, signifies a paradigm shift from a deficit-based model to one that focuses on individual, family, and community strengths as a cornerstone of effective nursing care. The book develops the theoretical foundations underlying SBC, promotes the acquisition of fundamental skills needed for SBC practice, and offers specific strategies, techniques, and tools for identifying strengths and harnessing them to facilitate healing and health. The testimony of 46 nurses demonstrates how SBC can be effectively used in multiple settings across the lifespan. **Chosen and Unchosen** Joel N. Lohr, 2009-06-30 Winner of the 2011 RBY Scott Award from the Canadian Society of Biblical Studies (Société canadienne des études bibliques). The God of the Bible favors a national people, Israel, and this is at the cost of the other nations. In fact, not being Israel usually means humiliation or destruction or simply being ignored by God. Reading the text with the grain or placing oneself within the chosen's perspective may seem very well until one considers the unchosen. There is much regarding the unchosen that has not been explored in scholarly research, but in this important work, Lohr attempts to make sense of the question of election and nonelection in the OT as a Christian interpreter and with a concern for the history of interpretation and Jewish-Christian dialogue. He also corrects a Christian tendency to read election and nonelection as love and damnation, respectively, a perception that is altogether foreign to the OT itself. The unchosen are important to the overall world view of Scripture, and although election entails exclusion, and God's love for the one people, Israel, is a love in contrast to others, it does not follow that the unchosen fall outside of the economy of God's purposes, his workings, or his ways. The unchosen often face important tests of their own and have a responsibility to God, and the chosen, however much this idea defies modern-day notions of fairness. It is a central idea of Scripture that already appears in the original call of and promises made to Abram, and something that, if ignored, places our larger understanding of God at risk. Equally important, if contemporary faith communities, both Jewish and Christian, form their understanding of the other on a faulty reading of Scripture regarding the unchosen, chaos and hatred can ensue. The political and religious climate of our contemporary world has never presented a more important time to get this matter right. Scholars and students alike are finding *Chosen and Unchosen* to be an indispensable resource as they mull over these difficult questions.
