Celebrating The 12 Days of Christmas Chris Marchand,2019-10-10 The song The 12 Days of Christmas is a mainstay of the holiday season but the practice of celebrating Christmas as a twelve day festival fell out of fashion long ago in most cultures In Celebrating the 12 Days of Christmas author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family church or community Along with this he provides answers to many of the nagging questions surrounding the holiday such as the history behind the twelve days song why December 25 was chosen as the date and what to do about its supposedly pagan origins The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past **Saint Helena Breviary** , The Order of St Helena a community of Episcopal women has revised its office book to soften the exclusively male Hebrew terminology for the creator God This expansive language personal edition of The Saint Helena Breviary is adapted from the monastic tradition for private rather than communal use It is designed for use with the Bible but many readers will find it a source for devotion simply using the prayers Psalms Canticles and hymn texts appointed for each day Includes all Psalms from the St Helena Psalter Encyclopedia of Women's Folklore and Folklife Pauline Greenhill,Liz Locke,Theresa A. the ancient roots of our sensibility and the social sources of our practice From new language for imagining the earth as a living ground to current constructions of nature in theology science and philosophy from environmentalism s questioning of postmodern thought to a garden of green doctrines rituals and liturgies for contemporary religion these original essays explore and expand our sense of how to proceed in the face of an ecological crisis that demands new thinking and acting In the midst of planetary crisis they activate imagination humor ritual and hope *Speaking to the Soul* Vicki K. Black,2009-10-01 The flourishing website EpiscopalCafe org produced by the Diocese of Washington attracts several thousand visitors a day Its popular column Speaking to the Soul which contains a concise well developed spiritual reflection for every day of the year draws from many different sources including scripture church history saints biographies books of prayers liturgies and ancient and contemporary theologians and spiritual writers This daily reader grew out of that column It follows the Episcopal Church s liturgical seasons and includes observation of major feast days as well as saints days The reading for a particular saint s day might be taken from the saint s writings prayers or biography or might develop a theme such as martyrdom or growth in the spirit Other readings focus on particular emphases of the seasons the Incarnation during Advent and Christmas spiritual disciplines during Lent or speak more generally to the Christian life prayer discipleship ministry the sacraments conflict and reconciliation and so on Readings are taken from every century of the church s life with particular attention to how the writings and experiences of earlier Christians can shed light on the difficulties joys and concerns of the church today Excerpts are long enough to give a satisfying and complete context of the writer s intended meaning
