Asteroid Answers to Ancient Calendar Mysteries Herbert B. Stollorz, 2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity The Oxford Handbook of Media, Technology, and Organization Studies Timon Beyes, Robin Holt, Claus Pias, 2020 This Handbook explores the largely uncharted territory of media technology and organization studies and interrogates their foundational relations their forms and their consequences The chapters consider how specific mediating technological objects such as the Clock or the Smartphone help us to create organizational form *Chase's Calendar of Events 2024* Editors of Chase's, 2023-10-15 Find out what s going on any day of the year anywhere across the globe Since 1957 Chase s Calendar of Events lists everything worth knowing and celebrating for each day of the year 12 500 holidays national days historical milestones famous birthdays festivals sporting events and more Publishers Weekly has cited it as one of the most impressive reference volumes in the world Library Journal named the 67th edition A 2024 Starred Review an invaluable resource for trivia fans planners media professionals teachers and librarians From national days to celebrity birthdays from historical milestones to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase s is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2024 Chase s also features extensive appendices as well as a companion website that puts the power of Chase s at the user s fingertips 2024 is packed with special events and observances including National days and public holidays of every nation on Earth Scores of new special days weeks and months such as International Day of Zero Waste or World Eel Day Famous birthdays of new world leaders lauded authors and breakout celebrities Info on the 2024 Great North American Eclipse Info on the restoration and reopening of Notre Dame de Paris Info on milestone anniversaries such as the 300th birth anniversary of Immanuel Kant the 250th anniversary of the First Continental Congress the 100th birth anniversary of James Baldwin and more Information on such special events as the International Year of Camelids and
