Descent A Heroines Journey:

The Heroine's Journey Workbook Maureen Murdock, 2020-08-18 A workbook to guide readers through the different stages of The Heroine's Journey healing deep wounds of one's feminine nature on a personal cultural and spiritual level. Maureen Murdock's modern classic *The Heroine's Journey* explores woman's mythic quest for maintaining feminine values and a sense of wholeness in a society that's been defined according to masculine values. Womankind undertakes this spiritual and psychological journey by integrating all parts of her nature. This workbook based on workshops conducted by Murdock herself with women of all ages can be used individually or in a group to guide readers through *The Heroine's Journey*. With exercises and reflection questions for each chapter, readers will embark on profound self-exploration and gain a new sense of clarity and understanding of their own life quests. The skills learned on this archetypal journey prepare women to work toward the larger pursuit of bringing consciousness to others and preserving the balance of life on earth.

The Heroine's Journey Maureen Murdock, 2020-08-18 *The Heroine's Journey* describes contemporary woman's search for wholeness in a society where she has been defined according to masculine values. Drawing on cultural myths and fairy tales, ancient symbols and goddesses, and the dreams of contemporary women, Murdock illustrates the need for and the reality of feminine values in Western culture. This special anniversary edition with a new foreword by Christine Downing and preface by the author illuminates that this need is just as relevant today as it was when the book was originally published thirty years ago.

Story Sensei Heroine's Journey Worksheet Camy Tang, 2024-03-23 Make your character's story arc resonate more emotionally with readers. What is the Heroine's Journey? Joseph Campbell originally wrote about the Hero's Journey in his book *The Hero With a Thousand Faces* as a psychological analysis of the classical myth formula. Maureen Murdock took Campbell's work, her own psychology experience, and other psychoanalytical writings and world myths to develop *The Heroine's Journey* for women. Often a male and female character will respond differently to conflict in a story because culture and time period will affect a character differently due to gender. As a result, their internal story arcs will differ according to gender also. Whether in romances or women's fiction, often a heroine's story arc is more about internal awakening as opposed to the quest style of the Hero's Journey. This makes the Heroine's Journey a good template for a heroine's story arc. If readers comment that there's something off with a character's story arc, the Heroine's Journey applied to a heroine will often make her story more psychologically resonant and satisfying for a reader. How this worksheet can help you: This worksheet consists of the Heroine's Journey explained in detail, questions for you to answer about your heroine, and examples to explain each stage of the Heroine's Journey. It will guide you in an easy way toward applying the Heroine's Journey structure for your heroine. This worksheet will help you create a more emotionally resonant internal arc for your heroine. Or change up your hero's internal journey with one of self-discovery by applying the Heroine's Journey to his story arc. Fix and strengthen disjointed character development. Manipulate and strengthen story pacing. Keep a character's internal arc in a forward moving motion rather than

stagnating Build the internal arc toward the Black Moment crisis Draw the internal arc full circle in a way that will satisfy readers Use the Heroine s Journey even in a romance where there s also a hero taking up 50% of the book Double check that the external events in the story are fueling and forwarding the character s internal arc Revise a synopsis or a completed manuscript Please note this tool is not meant to replace a synopsis because it doesn t focus as strongly on the external events and conflicts in the story it s more focused on the internal events and internal conflicts of your heroine This worksheet was created by utilizing the compilation of information on the Heroine s Journey derived not only from Maureen Murdock s book but also other psychology writings and an understanding of Joseph Campbell s original Hero s Journey This newly revised edition includes extra examples for each stage of the Heroine s Journey and more detail on previous examples Are you unsure why your heroine s emotional story doesn t strike the right chord with readers This worksheet will help set you on the right track

Mythmaking Maureen Murdock,2024-03-05 Best selling Heroine s Journey author Maureen Murdock invites readers to explore their personal story within the rich tapestry of human experience by examining the craft of memoir alongside fresh writing advice and prompts Maureen Murdock looks at thematic connections between ancient myths and contemporary memoirs to probe questions like What is my journey Where is home Her background as a Jungian psychotherapist enriches her teaching urging us to dig deep to identify our own universal archetypes Writers who feel stuck or unworthy of writing about themselves will find thought provoking inspiration and validation in this book while those simply looking to use writing as a tool for self exploration will examine their patterns and stories to reveal their true inner selves And all will be left with a deeper understanding of the rich scope of the memoir genre by exploring contemporary favorites like Terry Tempest Williams s Refuge Joan Didion s The Year of Magical Thinking and David Carr s The Night of the Gun from a mythological perspective Like myth memoir reveals a unity to human experience that ultimately we all share similar hopes dreams and desires as well as fears losses and heartbreaks Memoir helps writers understand the trajectory of their lives and helps readers better grasp our own place within the human experience

Cauldron of Changes Janice C. Crosby,2023-10-26 The spiritual dimensions in the fantastic works of both firmly established and newer writers including such talents as Marion Zimmer Bradley Alice Walker Patricia Kennealy Octavia Butler Toni Morrison and Ntozake Shange are examined in this book The author links their fantastic novels to actual currents within the feminist spirituality movement addressing the genre s use of goddess worship psychic phenomena and reverence for the earth Special emphasis is given to both the struggle to provide an alternative to men centered experience and to the need to articulate ways in which feminists can achieve personal and social power

Shakti Leadership Nilima Bhat,Raj Sisodia,2016-05-02 Unlocking the Source for True Leadership Too many people men and women alike have bought into a notion of leadership that exclusively emphasizes traditionally masculine qualities hierarchical militaristic win at all costs The result has been corruption environmental degradation social breakdown stress depression and a host of other serious problems Nilima Bhat and Raj Sisodia show us a more balanced way an

archetype of leadership that is generative cooperative creative inclusive and empathetic While these are traditionally regarded as feminine qualities we all have them In the Indian yogic tradition they re symbolized by Shakti the source that powers all life Through exercises and inspirational examples Bhat and Sisodia show how to access this infinite energy and lead with your whole self Male or female leaders who understand and practice Shakti Leadership act from a consciousness of life giving caring creativity and sustainability to achieve self mastery internally and be of selfless service to the world

Re/Presenting Gender and Love Dikmen Yakalı Çamoğlu,2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 This volume presents interdisciplinary explorations aiming to understand the interaction and interconnection between the concepts of love and gender Throughout the chapters the reader can pursue various representations of gender and love and explore how their meanings are produced in different periods and geographies These representations produce embodied individuals and shared meanings in which gender and love mutually construct each other As you will see in the following chapters what we set out to understand most of the time was not individual relationships but the relations of power Thus these essays show how gender and love are represented in various discourses produced in knowledge in philosophy psychology literature and popular culture and regulated by the discursive practices and disciplinary techniques of different societies

Descent - a Heroine's Journey Evelyn Scogin,2012-09-01 In 2004 at the age of 47 Evelyn Scogin had a successful career as a special education teacher Then she found herself diagnosed with bipolar disorder and facing a life of endless drugs and electroshock Rather than accept the diagnoses of the psychiatrist she began searching for alternatives Eventually she found the real truth about psychiatric diagnoses and drugs From her eight year search and fight back to emotional and physical health she found her voice of dissent and this book grew out that recovery Evelyn s is an important voice of dissent in the current market of labeling and drugging She brings to light the hidden side of the accepted norm of psychiatric treatment She now speaks plainly and honestly about these issues and the truth that there are better alternatives to emotional health that the psychiatrists don t want you to know

Beyond Prince Charming M. L. Buchman,2023-12-05 Why are men so often clichés on the romantic page They don t need to be Not even when real life men appear to be clichés of themselves These techniques can create male characters who pop off the page in any genre for their realism and depth Come join the male author of over a hundred short stories fifty romance novels and twenty thrillers including numerous Top 10 Romance of the Year accolades from B N NPR and various industry reviewers as he explores common tropes and why they re wrong even when they re so right guy speak emotions physicality journeys and much more Also we ll tackle the Kinda Myths grunting silent brooding uncommunicative punching walls rampant sex drive while in a gunfight arrogance lack of emotion conversations all about them

Finding the plot: A Maternal Approach to Madness in Literature Megan Rigers,2017-12-01 Over the past fifty years feminist literary criticism has become theoretical rather than practical severing any relationship between literary analysis and the real lived experiences of women An example of this disconnect is the way in which the

madwoman in feminist literature has become a lauded icon of liberation when in reality her situation would be seen as anything but empowered Finding the Plot takes this example to task arguing that in fact any interpretation of women s madness as subversive reinforces the very gender stereotypes that feminist literary criticism should be calling into question
