Gafarim were feared by the Babylonians and their extraordinary deeds dominated the early Ubaid dynasty mythology and religion. However, we have learned from the Illuminated Masters Mouwariin that two species of the Gafarim were created by the Anunnaki Ulema to fulfill and complete very precise and astonishing tasks such as building a whole village for the needy and poor people in less than 24 hours or relocating an entire city to another location in a blink of an eye. This seems to be a fictional account and a pure fantasy, but thousands of people who lived in some parts of the previous Soviet bloc have witnessed these extraordinary events. This is their story.
