Dorothy S McClellan Texas A M University Corpus Christi **American Prisons and Jails** Vidisha Barua Worley, Robert M. Worley, 2018-12-07 This two volume encyclopedia provides a comprehensive and authoritative examination of the history and current character of American prisons and jails and their place in the U S corrections system This encyclopedia provides a rigorous and comprehensive summary of correctional systems and practices and their evolution throughout US history Topics include sentencing norms and contemporary developments differences between local jails and prisons and regional state and federal systems violent and nonviolent inmate populations operations of state and federal prisons including well known prisons such as ADX Florence Alcatraz Attica Leavenworth and San Quentin privately run for profit prisons as well as the companies that run them inmate culture including prisoner generated social hierarchies prisoner slang gangs drug use and violence prison trends and statistics including racial ethnic age gender and educational breakdowns the death penalty and post incarceration outcomes including recidivism The set showcases contributions from some of the leading scholars in the fields of correctional systems and practices and will be a valuable resource for anyone interested in learning more about American prisons jails and community corrections *Correctional Organization and Management* Robert M. Freeman, 1999

Bridges the gap between critical elements of organisational theory and psychosocial issues Explains the evolution of corrections related public policy and corrections organisational behaviour and structure over the past 200 years Also leads to an understanding of the ethical change management and 21st century challenges correctional managers and leaders must be prepared to address **Restorative Justice in a Prison Community** Cheryl Swanson, 2009-03-16 Americans are frustrated

with prisons They recognize the need for these institutions but at the same time they worry about whether the money used to build and maintain them is well spent Older prisons are dirty disgusting and dangerous but even newer facilities come up lacking in terms of offering inmates opportunities to take responsibility for their crimes support their loved ones further their education learn job skills and develop positive relationships in healthy safe respectful communities This book provides insight into the philosophy of restorative justice which aims to develop ways we can manage our prisons differently to achieve more positive outcomes Using the case study of an honor dorm in a maximum security prison the book posits that most of the inmates never learned the basic tools for living life productively and responsibly They never thought much about their victims or how their actions affected others They never learned how to get along with others pick up after themselves or how to be of service to their fellow man Swanson uses the writings and reflections of inmates participating in a restorative justice program to demonstrate the challenges and transformative possibilities of this alternative approach to rehabilitation
