Counting The Public In Presidents Public Opinion And Foreign Policy

Robert Y. Shapiro, Lawrence R. Jacobs

Counting The Public In Presidents Public Opinion And Foreign Policy:

Counting the Public In Douglas C. Foyle, 1999-07-06 The book examines the public's influence on foreign policy through case studies including the Formosa Straits crisis intervention at Dien Bien Phu the Sputnik launch the New Look defense strategy the Panama Canal Treaties the Soviet invasion of Afghanistan the Strategic Defense Initiative the Beirut Marine barracks bombing German reunification the Gulf War and intervention in Somalia and Bosnia **Public Opinion and American Foreign Policy, Revised Edition** Ole Rudolf Holsti, 2009-06-25 A thoroughly revised version of this essential text incorporating a wealth of new material on American foreign policy since 9 11 The US Public and American Foreign Policy Andrew Johnstone, Helen Laville, 2010-06-10 Though often overlooked public opinion has always played a significant role in the development and promotion of US foreign policy and this work seeks to comprehensively assess the impact and nature of that opinion through a collection of historical and contemporary essays The volume evaluates the role of organizations and movements that look to represent public opinion and assesses the nature of their relationship with the government The contributors utilize a number of different approaches to examine this impact including polling data assessments of the role of the media and the wider consideration of ideas and ideology moving on to examine the specific role played by the public in the policy making and policy promotion process Engaging with new questions as well as approaching old questions from a new angle the work argues that whilst the roles change and the extent of influence varies the power of the public to both initiate and constrain foreign policy clearly exists and should not be underestimated This work will be of great interest to all those with an interest in American foreign policy American politics and American history **Public Opinion and International Intervention** Richard Sobel, Peter A. Furia, Bethany Barratt, 2012-05 Rarely has a foreign policy event spawned such interest in international public opinion as has the Iraq War What does this war indicate about the extent to which public opinion influences foreign policy leaders Have leaders' decisions about participating in the Iraq Coalition reflected the willingness of their citizens to do so Are leaders of some countries more responsive to public opinion than others The editors address these questions using select case studies that explore the extent to which leaders and people in democracies that are capable of participating in the Iraq War Coalition have willingly done so Each chapter is based on the premise that democracies are most responsive to public opinion and that the wealthiest democracies would be most capable though not necessarily most willing to participate in the Iraq War The editors have assembled contributions that build on the successful model of Richard Sobel's International Public Opinion and the Bosnia Crisis In this Iraq volume leading scholars debate the role of public opinion in particular countries' decisions to participate or not in an international conflict making it an essential text for any foreign policy course **Public Opinion and Polling around the World** John G. Geer, 2004-07-21 Covering the intricate facets of America's most important democratic tradition this book serves as an important resource to understand how citizens' views are translated into governmental action Public Opinion and Polling around the World presents

a thorough review of public opinion from its roots in colonial America to its role in today's emerging democracies More than 100 entries prepared by top scholars examine the 200 year history of public opinion measurement methodologies with an emphasis on telephone interviews and Internet polls and key figures like George Gallup and Elmo Roper who created their own polling systems An analysis of theories compares schools of thought from the fields of psychology sociology and economics and explores how people form opinions A fascinating snapshot of the public's current views on economic issues foreign policy gender gay rights and other hot button topics observes patterns across genders race ethnic origins class and religion in regions all over the world Students academicians and political observers will discover answers to such questions as does public opinion shape the behavior of government

The Oxford Handbook of American Public Opinion and the Media Robert Y. Shapiro, Lawrence R. Jacobs, 2013-05-23 With engaging new contributions from the major figures in the fields of the media and public opinion The Oxford Handbook of American Public Opinion and the Media is a key point of reference for anyone working in American politics today

Counting the Public in Douglas C. Foyle, 1999 Does the public alter American foreign policy choices or does the government change public opinion to support its policies In this detailed study Douglas Foyle demonstrates that the differing influence of public opinion is mediated in large part through each president's beliefs about the value and significance of public opinion Using archival collections and public sources Foyle examines the beliefs of all the post World War II presidents in addition to the foreign policy decisions of Presidents Dwight Eisenhower Jimmy Carter Ronald Reagan George Bush and Bill Clinton He finds that some presidents are relatively open to public opinion while others hold beliefs that cause them to ignore the public's view Several orientations toward public opinion are posited the delegate Clinton favors public input and seeks its support the executor Carter believes public input is desirable but its support is not necessary the pragmatist Eisenhower Bush does not seek public input in crafting policy but sees public support as necessary and finally the guardian Reagan neither seeks public input nor requires public support The book examines the public's influence through case studies regarding decisions on the Formosa Straits crisis intervention at Dien Bien Phu the Sputnik launch the New Look defense strategy the Panama Canal Treaties the Soviet invasion of Afghanistan the Strategic Defense Initiative the Beirut Marine barracks bombing German reunification the Gulf War intervention in Somalia and intervention in Bosnia

Public Opinion and the International Use of Force Philip Everts, Pierangelo Isernia, 2003-12-16 Recent years have witnessed a growing interest in the relationship between public opinion and foreign policy in Western democracies This international board of contributors examine the ways in which the connection between public opinion and the use of military force has developed since the end of the Cold War In doing so it also addresses the crucial and topical question of whether and to what extent a democratic foreign policy is possible

The Influence of Public Opinion on Post-Cold War U.S. Military Interventions Helene Dieck, 2016-01-18 Based on interviews with political decision makers involved in post Cold War case studies this research reassesses the prevalent

conclusion in the academic literature according to which American public opinion has limited influence on military interventions by including the level of commitment in the study of the decision making process **Public Opinion, Transatlantic Relations and the Use of Force** P. Everts,P. Isernia,2015-02-24 This book explores the intersection of the study of transatlantic relationships and the study of public support for the use of force in foreign policy It contributes to two important debates one about the nature of transatlantic partnership and another about the determinants of support for the use of military force in a comparative perspective

Counting The Public In Presidents Public Opinion And Foreign Policy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Counting The Public In Presidents Public Opinion And Foreign Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Counting The Public In Presidents Public Opinion And Foreign Policy has opened up a world of possibilities. Downloading Counting The Public In Presidents Public Opinion And Foreign Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Counting The Public In Presidents Public Opinion And Foreign Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Counting The Public In Presidents Public Opinion And Foreign Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Counting The Public In Presidents Public Opinion And Foreign Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Counting The Public In Presidents Public Opinion And Foreign Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Counting The Public In Presidents Public Opinion And Foreign Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for

students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Counting The Public In Presidents Public Opinion And Foreign Policy Books

1. Where can I buy Counting The Public In Presidents Public Opinion And Foreign Policy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
