

The Devil's Candy: The Anatomy Of A Hollywood Fiasco

Devil S Candy The Anatomy Of A Hollywood Fiasco

William Deverell, David Igler

Devil S Candy The Anatomy Of A Hollywood Fiasco:

The Devil's Candy Julie Salamon, 2008-11-05 A classic behind the scenes account of how a Hollywood blockbuster turned into a bomb that illuminates how not to make a movie New York Times [The Devil's Candy](#) Julie Salamon, 2021-07-06 A definitive portrait of the madness of big time moviemaking Newsweek now the basis for the new season of TCM's hit podcast The Plot Thickens and featuring a new afterword by the author When Brian De Palma agreed to allow Julie Salamon unlimited access to the film production of Tom Wolfe's best selling book The Bonfire of the Vanities both director and journalist must have felt like they were on to something big How could it lose But instead Salamon got a front row seat at the Hollywood disaster of the decade She shadowed the film from its early stages through the last of the eviscerating reviews and met everyone from the actors to the technicians to the studio executives They'd all signed on for a blockbuster but there was a sense of impending doom from the start heart of gold characters replaced Wolfe's satiric creations affable Tom Hanks was cast as the patrician heel Melanie Griffith appeared mid shoot with new bigger breasts With a keen eye and ear Salamon shows us how the best of intentions turned into a legendary Hollywood debacle The Devil's Candy joins John Gregory Dunne's The Studio Steven Bach's Final Cut and William Goldman's Adventures in the Screen Trade as a classic for anyone interested in the workings of Hollywood With a new afterword profiling De Palma ten years after the movie's devastating flop and this book's best selling publication Julie Salamon has created a riveting insider's portrait of an industry where art talent ego and money combine and clash on a monumental scale **No Crying in**

Baseball Erin Carlson, 2023-09-05 National Bestseller The inside story of how A League of Their Own one of the most beloved baseball movies of all time developed from an unheralded piece of American history into a perennial cinematic favorite Featuring exclusive interviews and behind the scenes memories from the original cast and creators No Crying in Baseball is a rollicking revelatory deep dive into a one of a kind film Before A League of Their Own few American girls could imagine themselves playing professional ball and doing it better than the boys But Penny Marshall's genre outlier became an instant classic and significant aha moment for countless young women who saw that throwing like a girl was far from an insult Part fly on the wall narrative part immersive pop nostalgia No Crying in Baseball is for readers who love stories about subverting gender roles as well as fans of the film who remain passionate thirty years after its release With key anecdotes from the cast crew and diehard fanatics Carlson presents the definitive first ever history of the making of the treasured film that inspired generations of Dottie Hinsons to dream bigger and aim for the sky *Hollywood Stardom* Paul

McDonald, 2012-11-26 By integrating star studies and film industry studies Hollywood Stardom reveals the inextricable bonds between culture and commerce in contemporary notions of film stardom Integrates the traditions of star studies and industry studies to establish an original and innovative mode of analysis whereby the star image is replaced with the star brand Offers the first extensive analysis of stardom in the post studio era Combines genre narrative acting and discourse analysis with

aspects of marketing theory and the economic analysis of the film market Draws on an extensive body of research data not previously deployed in film scholarship A wide range of star examples are explored including George Clooney Mel Gibson Tom Cruise Daniel Day Lewis Tom Hanks Will Smith and Julia Roberts *Not Hollywood* Sherry B. Ortner, 2013-02-27 The pioneering anthropologist Sherry B Ortner combines her trademark ethnographic expertise with critical film interpretation to explore the independent film scene in New York and Los Angeles since the late 1980s Not Hollywood is both a study of the lived experience of that scene and a critical examination of America as seen through the lenses of independent filmmakers Based on interviews with scores of directors and producers Ortner reveals the culture and practices of indie filmmaking including the conviction of those involved that their films unlike Hollywood movies are telling the truth about American life These films often illuminate the dark side of American society through narratives about the family the economy and politics in today s neoliberal era Offering insightful interpretations of many of these films Ortner argues that during the past three decades independent American cinema has functioned as a vital form of cultural critique *Brian De Palma's Split-Screen* Douglas Keesey, 2015-05-20 Over the last five decades the films of director Brian De Palma b 1940 have been among the biggest successes The Untouchables Mission Impossible and the most high profile failures The Bonfire of the Vanities in Hollywood history De Palma helped launch the careers of such prominent actors as Robert De Niro John Travolta and Sissy Spacek who was nominated for an Academy Award as Best Actress in Carrie Indeed Quentin Tarantino named Blow Out as one of his top three favorite films praising De Palma as the best living American director Picketed by feminists protesting its depictions of violence against women Dressed to Kill helped to create the erotic thriller genre Scarface with its over the top performance by Al Pacino remains a cult favorite In the twenty first century De Palma has continued to experiment incorporating elements from videogames Femme Fatale tabloid journalism The Black Dahlia YouTube and Skype Redacted and Passion into his latest works What makes De Palma such a maverick even when he is making Hollywood genre films Why do his movies often feature megalomaniacs and failed heroes Is he merely a misogynist and an imitator of Alfred Hitchcock To answer these questions author Douglas Keesey takes a biographical approach to De Palma s cinema showing how De Palma reworks events from his own life into his films Written in an accessible style and including a chapter on every one of his films to date this book is for anyone who wants to know more about De Palma s controversial films or who wants to better understand the man who made them *A Companion to California History* William Deverell, David Igler, 2014-01-28 This volume of original essays by leading scholars is an innovative thorough introduction to the history and culture of California Includes 30 essays by leading scholars in the field Essays range widely across perspectives including political social economic and environmental history Essays with similar approaches are paired and grouped to work as individual pieces and as companions to each other throughout the text Produced in association with the Huntington USC Institute on California and the West **The Twin Towers in Film** Randy Laist, 2020-01-31 For thirty years the twin towers of the World Trade

Center soared above the New York City skyline eventually becoming one of the most conspicuous symbolic structures in the world. They appeared in hundreds of films from *Godspell* and *Death Wish* to *Trading Places*, *Ghostbusters* and *The Usual Suspects*. The politicians, architects and engineers who developed the towers sought to imbue them with a powerful visual presence. The resulting buildings provided filmmakers with imposing set pieces capable of conveying a range of moods and associations from the sublime and triumphal to the sinister and paranoid. While they stood, they captured the imagination of the world with their enigmatic symbolism. In their dramatic destruction, they became icons of a history that is still being written. Here, viewed in the context of popular cinema, the twin towers are emblematic of how architecture, film and narrative interact to express cultural aspirations and anxieties.

Screening the Police Noah Tsika, 2021-07-28 *Screening the Police* explores the history of film's entwinement with law enforcement, showing the role that state power has played in the creation and expansion of a popular medium.

The Only Writing Series You'll Ever Need Screenwriting Madeline Dimaggio, 2007-01-19 The insider info you need. Writing scripts for the big screen takes more than a big idea; it requires passion, perseverance, and insider know-how. *The Only Writing Series You'll Ever Need Screenwriting* is your go-to resource for mastering the complete screenwriting process. Taking you step by step from idea to deal, you'll learn how to write a sellable script, create real and credible dialog, find an agent and market the script the right way, edit and revise over and over and over again, live the life of a full-time screenwriter. Ideal for those writers who want to perfect their craft and shop their script around, *The Only Writing Series You'll Ever Need Screenwriting* is your break into this exciting career.
