Cotton Patch Sermon Outlines Cotton Patch Sermon Outlines:

Cotton Patch Sermon Outlines John L. Mayshack, 2008-05 Rev Mayshack is masterful in his presentation of 75 sermon outlines which provide the essence of the written biblical word The scriptural basis for each detailed outline grounds the words in relevant biblical text **Sermon Outlines on the Gospels** Mark Scott, 1995 **Cotton Patch Parables of Liberation** Clarence Jordan, 2009-04-01 When Jesus delivered his parables he lit a stick of dynamite covered it with a story about everyday life and then left it with his audience By the time his hearers fully unwrapped the parable Jesus and his disciples were long gone Clarence Jordan essentially retells these powerful parables in the language of the South in order to place modern readers in that same first century situation Properly understood these Cotton Patch stories can liberate us into the kingdom of God from the cultural prisons of religion wealth and prejudice After Jordan s death in 1969 Bill Lane Doulos took up the task to combine these Cotton Patch Version parables with appropriate excerpts from Jordan s sermons and with his own commentary which does well to pull everything together In the end Doulos and Jordan call readers into true discipleship challenging them to explore the demands of kingdom life on a whole new level Must Christianity Be Violent? Kenneth R. Chase, Alan Jacobs, 2007-07-09 The Crusades The Conquest of the Americas U S Slavery The Jewish Holocaust Mention of these events evokes a variety of responses from Christians including guilt defensiveness and bewilderment Given such a tangled historical relationship to aggression and injustice how can Christians answer those who argue that our faith is inherently violent or that Christian doctrines inevitably lead to sacrifice conquest and war In *Must Christianity Be Violent* editors Kenneth R Chase and Alan Jacobs have gathered pointed essays that provide specific responses to these arguments Divided into histories practices and theologies the essays explore the historical causation of Christian violence and discuss practices that promote what one contributor calls just peacemaking The contributors explore the history of Christian violence and advocate the need for an uncompromised biblical theology in our search for peace This timely collection will appeal to readers of Christian history ethics and theology and those who want to better understand the specifically Christian response to violence and cultivation of peace *Minor Notes, Volume 1* Joshua Bennett, Jesse McCarthy, 2023-04-11 The first volume in an anthology series that amplifies the voices of unsung Black poets to paint a more robust picture of our national past and of the Black literary imagination with a foreword by Tracy K Smith A Penguin Classic Joshua Bennett and Jesse McCarthy repeatedly found themselves struck by the number of exciting poets they came across in long out of print collections and forgotten journals whose work has been neglected or entirely ignored even by scholars of Black poetry *Minor Notes* is an excavation initiative that recovers and curates archival materials from these understudied though supremely gifted African American poets of the nineteenth and twentieth centuries and aims to bridge scholarly interest with the growing general audience who reads writes and circulates poetry within that tradition As *Minor Notes* clarifies the work of contemporary Black poets is perhaps best understood through the lens of a long standing tradition of the poet as witness as prophetic voice

as communal bard and as scholar of the everyday and the miraculous The poets featured in Volume 1 are George Moses Horton Fenton Johnson Georgia Douglas Johnson Henrietta Cordelia Ray David Wadsworth Cannon Jr Anne Spencer and Angelina Weld Grimk
