Catholic Literary Giants Joseph Pearce, 2025-05 **Literature and Catholicism in the 19th and 20th Centuries** David Torevell, 2021-03-05 This volume investigates how literary texts have reflected in ground breaking ways distinctive features of a Catholic philosophy of life. It demonstrates how literature by its ability to capture the imagination is able to evoke facets of human experience related specifically to a Catholic understanding of life. [New Insights into Literature and Catholicism in the 19th and 20th Centuries](#) Paul Rowan, David Torevell, 2021-09-28 This volume deepens thinking and research about literature and Catholicism in the 19th and 20th centuries. It develops the understanding that a number of acclaimed literary texts have reflected in imaginative and memorable ways a distinctive Catholic sensibility, identity and philosophy of life and in so doing have shed light on profound spiritual experiences in a variety of fictional settings.

Locating Values in Literature Corina-Mihaela Beleaua, 2020-10-14 *Locating Values in Literature: Goodness, Beauty and Truth* discusses the relevance of literature in the current educational process, stating that regardless of the level of study, literature provides students with the necessary skills to address real world situations. Corina Mihaela Beleaua posits that a curriculum that includes literature has a multitude of benefits for the mental and ethical development of students, defending the relevance of the three ancient values of goodness, beauty and truth. Beleaua argues that literature is a significant tool for endorsing these transcendentals and actualizing their positive potentials as humanistic and moral values acting as a symbolic manifestation of moral values that will impact readers outside of the scope of the literature itself.
