Commando On The Frontline:

Frontline Anthony King, 2015-07-30 Since 2001 Western forces have been involved in a series of major military campaigns primarily in Iraq and Afghanistan but also in Africa For all the sophistication of the contemporary Western way of war with its digital technologies and precision weapons infantry soldier have been frequently involved in close combat of an intensity which is comparable to the wars of the twentieth century At the small unit level combat has been as brutal as ever Yet in many cases they have prevailed even when they were surprised or disadvantaged How and why have professional Western soldiers been willing and able to fight effectively together during these campaigns Through a series of rich historical and ethnographic case studies this collection seeks to analyse the experience of combat soldiers on operations in the last decade The book explores the motivation training and culture of the professional Western soldier highlighting differences and commonalities between the troops of different nations This book is a project of the Changing Character of War programme at the University of Oxford

Rhineland Anthony Tucker-Jones, 2025-10-09 A dramatic retelling of the desperate battle of the Rhineland during World War II from the German perspective The Rhineland was where Adolf Hitler sowed the seeds for the Second World War when he remilitarized it in breach of the Treaty of Versailles in 1936 and by late 1944 the Rhine provided the last major obstacle to the advancing Allied armies that were threatening the Fatherland itself In this new history of this vital campaign respected military historian Anthony Tucker Jones describes the race against time as the Germans fought to stave off the inevitable It was essential that the Germans held the west bank in order to protect the Rhine crossings at Cologne Bonn Koblenz and Remagen but Hitler was intent on counter attacking in the Ardennes in the winter of 1944 and this meant there was little left to bolster the defences of the Rhine Rhineland relates the course of this desperate defence describing the build up of forces and operational plans before going on to tell the story of the campaign from the point of view of the forces involved from the ordinary German soldier through to the high command
