Medley, 2020-07-01 *Defined by Moments* breaks down the life of Gideon into 13 critical decisions that either advanced or diminished his leadership Defining moments are not the grand successes or failures for which we are remembered but are the moments hardly noticed by others that create those public milestones Gideon's story is compelling in that he offers a balanced picture of leadership's highs and lows This book will challenge the interpretive notion that Gideon was a coward by arguing that he was an ordinary faith-challenged leader whose defining moments shaped him Every decision matters and you will learn strategies to help recognize and act upon your defining moments **The New Matthew Henry Commentary** Matthew Henry, 2010-10-19 A classic commentary in modern language this volume contains the wealth of exposition metaphors analogies and illustrations that have set Matthew Henry's *Commentary* apart as one of the enduring legacies of faith and presents them in the language of today Passage by passage its prayerful penetrating reflections and rich insights into the very heart of God's Word are sure to challenge and inspire you Ideal for personal devotions Bible studies and lesson and sermon preparations *The New Matthew Henry Commentary* will enable you to rediscover this classic work or discover it for the first time Forever fresh and never failing to render new pearls of wisdom this beloved text is one that you will reach for often to obtain deeper understanding of and appreciation for the Scriptures *Commentaries on Judges* Matthew Henry, 2015-12-04 Matthew Henry was a Nonconformist minister and author best known for his extensive commentaries on the Bible which were published in the early 18th century shortly before his death *Judges* Matthew Henry, 2015-06-26 *Matthew Henry 1662 1714* was a British Nonconformist minister and author Henry's commentaries are primarily exegetical dealing with the scripture text as presented with his prime intention being explanation for practical and devotional purposes While not being a work of textual research for which Henry recommended Matthew Poole's *Synopsis Criticorum* Henry's *Exposition* gives the result of a critical account of the original as of his time with practical application It was considered sensible and stylish a commentary for devotional purposes Famous evangelical Protestant preachers such as George Whitefield and Charles Spurgeon used and heartily commended the work with Whitefield reading it through four times the last time on his knees Spurgeon stated Every minister ought to read it entirely and carefully through once at least Perhaps

his best known quotation is about the relationship between men and women from the story of the creation of Eve in the Book of Genesis the woman was made of a rib out of the side of Adam not made out of his head to rule over him nor out of his feet to be trampled upon by him but out of his side to be equal with him under his arm to be protected and near his heart to be beloved

Responding Faithfully to Generation X Rev. Dr. Christopher Doyle, 2022-07-12 The research writing and analysis in the pages of this work show the story of how Generation X grew up during one of the greatest periods of technological social political economic and educational change in US history Included in that story is how the greater percentage of them grew up in the church but then walked away en masse Today Generation X is the smallest percentage of Main Line and Catholic Church membership while the overwhelming majority of church membership is made up of an aging population of Baby Boomers and Silent Generation folk In ten year s time what will be the state of the church when many of the current membership has passed on to eternal life or are no longer able to do what it is that they re doing today Generation X could well be the answer to much of the solution Generation X is generally at a more comfortable place in their lives and are asking the questions about the meaning of their lives while considering issues of mortality Yet at the same time they re having now to care for parents grandchildren and for many Gen Xers their own children still They re busy and committed but they re also spiritually hungry Having had a relationship at one point in their lives they re not completely foreign to what the church can be but the ball is really in the church s court How the church chooses to respond to Generation X could mean life or church closure It s a conversation that needs to take place and that conversation begins here

Matthew Henry's Commentary on the Whole Bible: Volume VI-I - Acts - Romans Matthew Henry, **The Bible and Gender Troubles in Africa** Joachim Kügler, Rosinah Gabaitse, Johanna Stiebert, 2019-06-25 Publisher s description Quickly changing concepts on gender roles are a pivotal issue in after colonial African societies Many women and men are calling for a radical change as they feel traditional

gender concepts as being oppressive inhuman and un-Christian. Gender equality, gender fairness is on their agenda. On the other hand, for many men and women, these societal changes are painful, gender troubles, and seem to be dangerous for gender-based identity threatening traditional African values. Volume 22 of the BiAS series deals with this central topic by asking what gender troubles have to do with the Bible. Are biblical texts an obstacle for women's liberation? Is the Bible a divine guaranty for male supremacy or rather an advocate for gender equality? What are redemptive masculinities and how do they relate to a new truly Christian understanding of the role of women in church, society and state? Scholars from different disciplines and several countries are dealing with these urgent questions to help scholars, students, pastors, politicians and members of Christian churches to find a way to more gender fairness and gender joy.
