Contribution Americas Independence Classic Reprint:

The Irish Contribution to America's Independence (Classic Reprint) Thomas Hobbs Maginniss Jr, 2015-07-12
Excerpt from The Irish Contribution to America's Independence It becomes nations as well as individuals not to think of themselves more highly than they ought but to think soberly Self exaggeration detracts from their character without adding to their power but a greater and more dangerous fault is an habitual depreciation of their real resources and a consequent want of self reliance Godkin One of the faults chargeable against the Irish people and particularly Americans of Irish descent is that they are ignorant of the achievements of their race in the past This is probably due to the fact that the people of Ireland have for generations been taught to believe that everything respectable has come from England and that the English are a superior race Indeed an attempt has been made to impress the same theory on the minds of Americans and perhaps the most pernicious falsehood promulgated by pro English writers who exert a subtle influence in spreading the gospel of Anglo Saxon superiority is that America owes her liberty her benevolent government and even her prosperity to her English forefathers and Anglo Saxon blood The truth is that the impartial history of Ireland is the story of England's shame while the history of America offers abundant evidence of the innate greatness of men of the Irish race About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The English-Speaking Brotherhood and the League of Nations (Classic Reprint) Charles Walston, 2019-02-07 Excerpt from The English Speaking Brotherhood and the League of Nations I should again like to publish here two letters from personal friends whom I consider to have been at that time the most representative of the two broadly differing if not Opposed conceptions of America's position in the foreign affairs of the world John Hay and Charles Eliot Norton About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Encyclopedia of Media and Propaganda in Wartime

America Martin J. Manning, Clarence R. Wyatt, 2010-12-20 This fascinating compilation of reference entries documents the unique relationship between mass media propaganda and the U S military a relationship that began in the period before the American Revolution and continues to this day sometimes cooperative sometimes combative and always complex The Encyclopedia of Media and Propaganda in Wartime America brings together a group of distinguished scholars to explore how war has been reported and interpreted by the media in the United States and what effects those reports and interpretations have had on the people at home and on the battlefield Covering press U S military relationships from the early North American colonial wars to the present wars in Iraq and Afghanistan this two volume encyclopedia focuses on the ways in which government and military leaders have used the media to support their actions and the ways in which the media has been used by other forces with different views and agendas The volumes highlight major events and important military political and cultural players offering fresh perspectives on all of America s conflicts Bringing these wars together in one source allows readers to see how media affected the conflicts individually but also understand how the use of the various forms of media print radio television film and electronic have developed and changed over the years *John Adams and the*

Constitutional History of the Medieval British Empire James Muldoon, 2017-11-03 This book contributes to the increasing interest in John Adams and his political and legal thought by examining his work on the medieval British Empire For Adams the conflict with England was constitutional because there was no British Empire only numerous territories including the American colonies not consolidated into a constitutional structure Each had a unique relationship to the English In two series of essays he rejected the Parliament s claim to legislate for the internal governance of the American colonies His Dissertation on the Canon and Feudal Law 1765 identified these claims with the Yoke Norman tyranny over the defeated Saxons after 1066 Parliament was seeking to treat the colonists in similar fashion The Novanglus essays 1774 75 traced the origin of the colonies demonstrating that Parliament played no role in their establishment and so had no role in their internal governance without the colonists subsequent consent A Nation by Design Aristide R. Zolberg, 2008-12-15 Zolberg explores American

immigration policy as a tool of nation building from the colonial period to the present His book shows how America has struggled to shape the immigration process to construct the kind of population it desires **European Images of the**
