Bowman,2015-02-15 A must have for anyone interested in military history and the Second World War in the air **John Bradstreet's Raid, 1758** Ian Macpherson McCulloch,2022-07-21 A year after John Bradstreet s raid of 1758 the first and largest British American riverine raid mounted during the Seven Years War known in North America as the French and Indian War Benjamin Franklin hailed it as one of the great American victories of the war Bradstreet heartily agreed and soon enough his own official account was adopted by Francis Parkman and other early historians In this first comprehensive analysis of Bradstreet s raid Ian Macpherson McCulloch uses never before seen materials and a new interpretive approach to dispel many of the myths that have grown up around the operation The result is a closely observed deeply researched revisionist microhistory the first unvarnished balanced account of a critical moment in early American military history Examined within the context of campaign planning and the friction among commanders in the war s first three years the raid looks markedly different than Bradstreet s heroic portrayal The operation was carried out principally by American colonial soldiers and McCulloch lets many of the provincial participants give voice to their own experiences He consults little known French documents that give Bradstreet s opponents side of the story as well as supporting material such as orders of battle meteorological data and overviews of captured ships McCulloch also examines the riverine operational capability that Bradstreet put in place a new water borne style of combat that the British American army would soon successfully deploy in the campaigns of Niagara 1759 and Montreal 1760 McCulloch s history is the most detailed thoroughgoing view of Bradstreet s raid ever produced The Empire Collection Volume II Anthony Riches,2017-01-05 The EMPIRE sequence continues with books IV VI in Anthony Riches bestselling series available in a page turning collection including The Leopard Sword The Wolf s Gold and The Eagle s Vengeance The Leopard Sword The Roman agents who nearly captured Marcus Aquila have been defeated by his friends But to protect those friends from the wrath of the emperor he must leave the province which has given him shelter As centurion of the second Tungrians he leads his men from Hadrian s Wall to the Tungrians original home There he finds a different world from the turbulent British frontier but one with its own dangers A bandit chieftain is robbing with impunity And now he threatens to destabilize the whole northern frontier of the empire The Wolf s Gold Marcus Aquila and the Tungrians have been sent to Dacia with the mission to safeguard a major source of imperial power The mines contain enough gold to pave the road to Rome They would make a mighty prize for the Sarmatae tribesmen who threaten the province and the outnumbered auxiliaries are entrusted with their safety in the face of an invasion The Tungrians will have to fight to the death to save the honour of the empire and themselves The Eagle s
