

Chapter 19

1. a) Contains as many hydrogen atoms as possible for the given number of carbons. Only carbon-carbon single bonds.

(ii) liquid

2. a) a carbon-carbon double bond

(Home schooling parents: It doesn't matter what position you draw the bromine in on the right-hand carbon - N, S or E (with hydrogens in the other two positions). All that matters is that one bromine becomes attached to each of the carbons either side of the original double bond.)

(ii) In this (substitution) reaction, one of the hydrogens has been replaced by a bromine during the reaction. In the previous (addition) reaction, nothing was lost when the two molecules combined together.

3. a) Ethene is passed with steam at 300°C and 60 - 70 atmospheres over a phosphoric acid catalyst.

b) e.g. two of: continuous flow process, therefore faster; rapid reaction; purer product.

c) uses renewal resources; gentle conditions.

4. Dissolve the sugar in water in a conical flask (or similar) and add yeast. You now need some means of keeping the air out while allowing carbon dioxide to escape. You could use a commercial home-winemaking airlock of some sort, but a plug of cotton wool works just as well. Leave the mixture in the warm for a few days until bubbling stops.

Allow the yeast to settle, and pour off the solution so that it can be fractionally distilled, collecting the fraction which boils at 78°C . (See the diagram for the fractional distillation of an alcohol/water mixture in Chapter 11 of the book.)

continued . . .

Catalyst Organic Chemistry Lab Manual Answer Key

Bowker Editorial Staff

Catalyst Organic Chemistry Lab Manual Answer Key:

Thank you very much for downloading **Catalyst Organic Chemistry Lab Manual Answer Key**. Maybe you have knowledge that, people have seen numerous times for their favorite books next to this Catalyst Organic Chemistry Lab Manual Answer Key, but stop happening in harmful downloads.

Rather than enjoying a fine PDF behind a cup of coffee in the afternoon, then again they juggled in the same way as some harmful virus inside their computer. **Catalyst Organic Chemistry Lab Manual Answer Key** is easily reached in our digital library with an online permission to it is set as public suitably you can download it instantly. Our digital library saves in combination countries, allowing you to acquire the most less latency era to download any of our books as soon as this one. Merely said, the Catalyst Organic Chemistry Lab Manual Answer Key is universally compatible similar to any devices to read.
