*The Cold War and Asian Cinemas* Poshek Fu, Man-Fung Yip, 2019-11-28 This book offers an interdisciplinary historically grounded study of Asian cinemas complex responses to the Cold War conflict It situates the global ideological rivalry within regional and local political social and cultural processes while offering a transnational and cross regional focus This volume makes a major contribution to constructing a cultural and popular cinema history of the global Cold War Its geographical focus is set on East Asia Southeast Asia and South Asia In adopting such an inclusive approach it draws attention to the different manifestations and meanings of the connections between the Cold War and cinema across Asian borders Many essays in the volume have a transnational and cross regional focus one that sheds light on Cold War influenced networks such as the circulation of socialist films across communist countries and on the efforts of American agencies such as the United States Information Service and the Asia Foundation to establish a transregional infrastructure of free cinema to contain the communist influences in Asia With its interdisciplinary orientation and broad geographical focus the book will appeal to scholars and students from a wide variety of fields including film studies history especially the burgeoning field of cultural Cold War studies Asian studies and US Asian cultural relations *Cordial Cold War* Bajpai, Anandita, 2021-10-01 *Cordial Cold War* examines cultural entanglements in various forms between two distant yet interconnected sites of the Cold War India and the German Democratic Republic GDR Focusing on theatre performances film festivals newsreels travel literature radio broadcasting cartography and art as sites of engagement the chapters spotlight spaces of interaction that emerged in spite of and within the ambits of Cold War constraints The interdisciplinary collection sheds light on the variegated nature of translocal cultural entanglements at work even before the GDR was officially recognized as a sovereign state by India in 1972 By foregrounding the role of actors their practices and the sites of their entanglement the contributions show how creative energies were mobilized to forge zones of friendship mutual interest and envisioned solidarities This volume situates actors from the Global South as mutual co shapers of the cultural Cold War therein shifting its Euro American and Soviet epicenters to Non Aligned India Going beyond official state channels of international political dialogue it locates cordiality in the micro histories and everyday experiences of interpersonal engagements bringing to focus a hitherto underexplored chapter of India Germany entanglements *International Conflict Resolution After the Cold War* National Research Council, Commission on Behavioral and Social Sciences and Education, Committee on International Conflict Resolution, 2000-11-07 The end of the Cold War has changed the shape of organized violence in the world and the ways in which governments and others try to set its limits Even the concept of international conflict is broadening to include ethnic conflicts and other kinds of violence within national borders that may affect international peace and security What is not yet clear is whether or how these changes alter the way actors on the world scene should deal with conflict Do the old methods still work Are there new tools that could work better How do old and new methods relate to each other *International Conflict*

Resolution After the Cold War critically examines evidence on the effectiveness of a dozen approaches to managing or resolving conflict in the world to develop insights for conflict resolution practitioners It considers recent applications of familiar conflict management strategies such as the use of threats of force economic sanctions and negotiation It presents the first systematic assessments of the usefulness of some less familiar approaches to conflict resolution including truth commissions engineered electoral systems autonomy arrangements and regional organizations It also opens up analysis of emerging issues such as the dilemmas facing humanitarian organizations in complex emergencies This book offers numerous practical insights and raises key questions for research on conflict resolution in a transforming world system

A *compendium of Molesworth's Marathi and English dictionary* J.T. Molesworth, B. Padmanji, [The Cultural Cold War and the Global South](#) Kerry Bystrom, Monica Popescu, Katherine Zien, 2021-07-27 This volume investigates the cultural sites where the global Cold War played out It brings to view unpredictable encounters that arose as writers artists filmmakers and intellectuals from or aligned with the Third World navigated the ideological and material constraints set by superpowers and emerging regional powers Often these encounters generated *communitas* and solidarity while at times they fed old and new conflicts Pushing forward recent scholarship that tracks the Cold War in the Global South and draws on postcolonial approaches our contributors use archival secondary and ethnographic sources to trace the afterlives and memories of key figures and to explore meetings that performed cultural diplomacy Our focus on sites of encounter or exchange underscores the situated interpersonal and embodied dimensions through which much of the cultural Cold War was experienced While the global conflict divided citizens along ideological fault lines it also linked people through circulating media novels film posters journals and theatre and multinational conferences that brought artists intellectuals and political activists together Such contacts introduced new axes of solidarity and hierarchies of exclusion Examining these connections and disjunctures this new and necessary mapping of the cultural Cold War highlights under addressed locations in Asia Africa and Latin America

*Sound Alignments* Michael K. Bourdaghs, Paola Iovene, Kaley Mason, 2021-05-10 In *Sound Alignments* a transnational group of scholars explores the myriad forms of popular music that circulated across Asia during the Cold War Challenging the conventional alignments and periodizations of Western cultural histories of the Cold War they trace the routes of popular music examining how it took on new meanings and significance as it traveled across Asia from India to Indonesia Hong Kong to South Korea China to Japan From studies of how popular musical styles from the Americas and Europe were adapted to meet local exigencies to how socialist bloc and nonaligned Cold War organizations facilitated the circulation of popular music throughout the region the contributors outline how music forged and challenged alliances revolutions and countercultures They also show how the Cold War's legacy shapes contemporary culture particularly in the ways 1990s and 2000s J pop and K pop are rooted in American attempts to foster economic exchange in East Asia in the 1960s Throughout *Sound Alignments* demonstrates that the experiences of the Cold War in Asia were as diverse and dynamic
