Collected Screenplays Paul Schrader, 2002 Paul Schrader is US cinema's hardcore intellectual. This title collects three of his finest screenplays: Taxi Driver, American Gigolo, and Light Sleeper, that form a kind of triptych devoted to a single soulful character. **Collected Screenplays** Paul Schrader, 2002 **Ethan Coen and Joel Coen Collected Screenplays**,

Collected Screenplays Andrei Arsen'evich Tarkovskii, 1999 Since his death in 1986, Andrei Tarkovsky has become increasingly recognized as one of the great masters of world cinema. In his films Solaris, Mirror, Stalker, and The Sacrifice, Tarkovsky defined a new way of looking at the world. His non-realistic, highly charged images are a continuing source of inspiration not only for a new generation of film makers but also for poets, musicians, and painters. This volume collects his great works for the first time in one volume, as well as three of his unproduced screenplays. This material provides a unique glimpse into the way Tarkovsky's vision evolved from the printed text to its final form on celluloid. The book also contains an extended essay by film critic and historian Ian Christie, who places Tarkovsky's work in the context of Soviet film-making practice. **Collected Screenplays** Hal Hartley, 2002 **Pinter's World** William Baker, 2018-09-15 Pinter's World: Pinter and Company is not a full-scale biography but a series of illuminating chapters about Pinter's life, character, and thought, employing new information found in his Appointment Diaries, recent biographical sources such as Simon Gray's memoirs and Henry Woolf's reminiscences, in addition to personal discussions with several in Pinter's world. This book provides a fresh illumination of Pinter's life and art, his friendships, obsessions, and concerns. Material is arranged around themes: key concerns, Pinter's activities, Pinter's meetings and endeavors, for instance, with whom he met and when, when he wrote, what and when, and his perspective at the time, are documented. This work explores Pinter's writing: drama, poetry, prose, journalism, and letters, which are here regarded as part of his aesthetic achievement. Pinter's World: Pinter and Company presents a pointillist portrait of him through examining central concerns in his life. These encompass an obsession with the theater and games, delight in restaurants, demonstrating that Pinter is far removed from the socially awkward, isolated figures populating his early work, and the women in Pinter's world. Other areas examined include Pinter's political engagement from his adolescence to his last years, and the literary and other creative influences upon him. This work draws upon consultation of his papers at the British Library, including letters to others, especially close friends with whom he kept close contact for over half a century. These letters should be regarded on par with his other creative accomplishments. Pinter was a fascinating letter writer whose letters reveal thoughts at the time of writing, often in abrupt, most colorful, idiomatic language. His Appointment Diaries cannot reveal what actually occurred during his meetings, but they do provide a guide to what he did on a daily basis and whom he met. Memories from his friends, his professional colleagues, cricket players, and his second wife, Antonia Fraser, illuminate Pinter's personality and actions. Pinter's first literary love was poetry, and unlike most other Pinter studies, this one gives attention to his neglected poetic output that often reveals the real Pinter and the enigma that is at the

Gale,2021-02-16 While best known as one of the most important playwrights of the twentieth century Harold Pinter 1930 2008 had an equally successful career writing screenplays His collaborations with director Joseph Losey garnered great attention and esteem and two of his screenplays earned Academy Award nominations *The French Lieutenant s Woman* 1981 and *Betrayal* 1983 He is also credited for writing an unproduced script to remake Stanley Kubrick s 1962 adaptation of *Lolita* Much scholarship has been dedicated to the subject of Pinter as playwright but the rich landscape of his work in film has been left largely undisturbed In **Sharp Cut** Harold Pinter s Screenplays and the Artistic Process Steven H Gale the world s foremost Pinter scholar analyzes Pinter s creative process from initial conception to finished film Gale makes careful point by point comparisons of each stage in the screenplay s creation the source material the adaptations themselves and the films made from the scripts in order to reveal the meaning behind each film script and to explain the cinematic techniques used to express that meaning Unlike most Pinter scholars who focus almost solely on the written word Gale devotes discussion to the cinematic interpretation of the scripts through camera angles and movement cutting and other techniques Pinter does not merely convert his stage scripts to screenplays he adapts the works to succeed in the other medium avoiding elements of the live play that do not work onscreen and using the camera s focusing operations in ways that are not possible on the stage As Pinter s career progressed and his writing evolved screenplays became for him an increasingly vital means of creative expression **Sharp Cut** is the first study to fully explore this important component of the Pinter canon
