Ernest Hemingway

Collected Stories Everymans Library:

Collected Stories Thomas Mann, Daniel Johnson, 2001 Famous for his novels Thomas Mann is more accessible through the shorter fictions which span his entire career The most famous of these stories is one of the earliest *Death in Venice* was made into the celebrated Visconti film but all his mature preoccupations are present in this story the need for a sense of meaning in existence the relationship between life and art the central role of sexual energy and the strange forms it can take the place of death and disease the importance of work the individual's complex relations with his society and the dominant culture These themes are developed in a series of brilliant stories many of them very short and displaying the author's talent for macabre comedy *Dr Faustus* and *Buddenbrooks* are already available in *Everyman* **The Collected Stories** Ernest

Hemingway, 1998 **Collected Stories of Roald Dahl** Roald Dahl, 2006-10-17 The only hardcover edition of Roald Dahl's stories for adults the *Collected Stories* amply showcases his singular gifts as a fabulist and a born storyteller Later known for his immortal children's books including *Charlie and the Chocolate Factory* *James and the Giant Peach* and *The BFG* Dahl also had a genius for adult short fiction which he wrote throughout his life Whether fictionalizing his dramatic exploits as a Royal Air Force pilot during World War II or concocting the ingeniously plotted fables that were dramatized on television as *Tales of the Unexpected* Dahl was brilliant at provoking in his readers the overwhelming desire to know what happens next and at satisfying that desire in ways that feel both surprising and inevitable Filled with devilish plot twists his tales display a tantalizing blend of macabre humor and the absurdly grotesque From *The Landlady* about an unusual boardinghouse that features a small but very permanent clientele to *Pig* a brutally funny look at vegetarianism to *Man from the South* in which a fanatical gambler does his betting with hammer nails and a butcher's knife Dahl's creations amuse and shock us in equal measure gleefully reminding us of what might lurk beneath the surface of the ordinary **Collected Stories** D.H.

Lawrence, 1998 *The Collected Stories of Alexander Pushkin* Alexander Pushkin, 1999-05-18 Stories provide an ironic viewpoint on life in nineteenth century Russia **Collected Stories** Franz Kafka, 1998 **Collected Stories** Rudyard Kipling, 1994 This selection covers the full range of Kipling's extraordinary short stories throughout his career Ranging in subject matter from the Indian to the Occult from children to animals from domestic comedy to public tragedy each is masterly in its way Above all they convey a wonderful sense of life and energy and reveal Kipling as a far greater and more diverse writer than most people suspect This is an ideal gift book perfect for reading in short snatches or long stretches according to taste *Collected Stories of Franz Kafka* Franz Kafka, 2015-01-28 From one of the greatest writers of the twentieth century the author of *The Metamorphosis* and *The Trial* a collection of stories that represent the art of a modern master who had the gift of making our problematic spiritual life palpable and real Franz Kafka's imagination so far outstripped the forms and conventions of the literary tradition he inherited that he was forced to turn that tradition inside out in order to tell his splendid mysterious tales that are scrupulously naturalistic on the surface and uncanny in their depths

This edition of his stories includes all his available shorter fiction in a collection edited arranged and introduced by Gabriel Josipovici in ways that bring out the writer's extraordinary range and intensity of vision. Everyman's Library pursues the highest production standards: printing on acid-free cream-colored paper with full cloth cases with two-color foil stamping; decorative endpapers; silk ribbon markers; European style half-round spines; and a full-color illustrated jacket. Contemporary Classics include an introduction, a select bibliography, and a chronology of the author's life and times.

Collected Stories of Raymond Chandler Raymond Chandler, 2002-10-15 The only complete edition of stories by the undisputed master of detective literature collected here for the first time in one volume including some stories that have been unavailable for decades. When Raymond Chandler turned to writing at the age of forty-five, he began by publishing stories in pulp magazines such as *Black Mask* before later writing his famous novels. These stories are where Chandler honed his art and developed his uniquely vivid underworld peopled with good cops and bad cops, informers and extortionists, lethally predatory blondes and redheads, and crime, sex, gambling, and alcohol in abundance. In addition to his classic hard-boiled stories in which his signature atmosphere of depravity and violence swirls around the cool, intuitive loners whose type culminated in the famous detective Philip Marlowe, Chandler also turned his hand to fantasy and even a gothic romance. This rich treasury of twenty-five stories shows Chandler developing the terse, laconic understated style that would serve him so well in his later masterpieces and immerses the reader in the richly realized fictional universe that has become an enduring part of our literary landscape.

The Collected Stories of Mavis Gallant Mavis Gallant, 2016-08-09 This generous collection of fifty-two stories selected from across her prolific career by the author includes a preface in which she discusses the sources of her art. A widely admired master of the short story, Mavis Gallant was a Canadian-born writer who lived in France and died in 2014 at the age of ninety-one. Her more than one hundred stories, most published in *The New Yorker* over five decades beginning in 1951, have influenced generations of writers and earned her comparisons to Anton Chekhov, Henry James, and George Eliot. She has been hailed by Michael Ondaatje as one of the great story writers of our time. With irony and an unfailing eye for the telling detail, Gallant weaves stories of spare complexity, often pushing the boundaries of the form in boldly unconventional directions. The settings in *The Collected Stories* range from Paris to Berlin to Switzerland, from the Italian Riviera to the Côte d'Azur, and her characters are almost all exiles of one sort or another, as she herself was for most of her expatriate life. The wit and precision of her prose combined with her expansive view of humanity provide a rare and deep reading pleasure. With breathtaking control and compression, Gallant delivers a whole life, a whole world in each story.
