Mighty Writing's College Application Essay Guide Laurie Filipelli, 2017-05-19 This guide will help you tell your Mighty Story This is an expert engaging and truly helpful guide for any student staring down the mouth of hell the daunting college application essay process Katherine Ellison Pulitzer Prize winning journalist and author of Buzz A Year of Paying Attention College application essays offer the chance to present who you are in all of your particular splendor To own that splendor is no easy task sometimes the gems right in front of you are buried deep beneath a pile of expectations and commitments and doubt The truth however is simple you just need to dig them up In other words you have a life and that life is full of stories When Irena and I chat and we frequently do there's a common theme we love our jobs Why Because our students find their way into college not solely through improving test scores or bolstering their list of activities but by expressing their truest selves Students who write for school papers who struggle with dyslexia who battle scorpions in Texas search for mushrooms in Oregon or jog Central Park religiously each day We get to know them all and in knowing them like them immensely We cheer them on offering tips from the sidelines we love being part of a team This guide itself is an example of teamwork I drafted the following exercises as a series of blog posts and together we clarified a vision coauthored new sections scheduled weekly phone calls to work through revisions and edits We get it that writers need support especially when the work of writing is that of discovering what matters to you and who you truly want to be Testimonials Writing is an art It is a skill honed with exposure to the best writing and more importantly with guidance on how to tailor your unique expression Irena and Laurie are wizards with words they helped me crystallize verbose sentences and infuse them with new meaning and impact I love most that their guidance is empowering It enables and equips you to chart out a beautiful piece of writing that tells your story This confidence and self reflection is necessary going into an essay writing process Above all their warmth dedication and collaborative approach made my application process a very memorable experience one that I shall cherish forever Student Duke University Irena and Laurie guided me through the process of expressing my own voice and helped me express that voice most clearly and impactfully Their advice was always clear not only did they advise what I needed to work on they also helped me with how to go about it which is usually where I get stuck Working with Laurie and Irena was more than writing a college essay they also really pushed me to really reflect and be honest with myself which ultimately helped me gain a deeper understanding of who I was and what I wanted to do Student Harvard University I truly believe that Laurie's insightful questions made my son's essays come alive I don't think he would have achieved the same results without her Not only was he accepted at his first choice school but he was given the Rensselaer Leadership Award which is a four year merit scholarship Parent Rensselaer Polytechnic Institute student This book was super helpful I read through it in one sitting and now have a million things I could write about Laurie and Irena's compelling and easy to follow advice gave me confidence and inspired me to try the exercises not because I had to but because it was fun Student Austin Waldorf High School

Brody's Guide to the College

Admissions Essay Jay Brody, 2005-05 Brody's Guide to the College Admissions Essay tells you everything you need to know about the application essay writing process. Unlike competing books which dwell on the details of grammar and writing procedure, Brody's guide is short, easy to use, and focuses on the most important issues. Special attention is paid to choosing a topic, making the essay interesting, distinguishing yourself as an applicant, and injecting passion into your writing. Additionally, the book includes and discusses seven first-rate and successful admissions essays. The authors, both of whom work full time with applicants, have spent countless hours helping with admissions essays and speaking with current and former college admissions officers. Here they've taken everything they know about the process and distilled it into one insightful and surprisingly usable guide.

The "I Hate to Write" Guide to College Level Essays Beth Daniels, 2017-12-29 THE I HATE TO WRITE GUIDE TO COLLEGE LEVEL ESSAYS 4 IN 1 does not replace the required text books in English Composition courses, but it does explain how to write an essay at this level without using academic words like thesis. I never understood what that meant when I was an undergraduate, so I don't expect everyone to know what it means, but I do explain what it is in regular language. The four volumes grouped together here have appeared in e-book form but never as a print copy. It was probably past time to offer another option. The reason I wrote BASIC ESSAY BOOK CRITIQUE and RESEARCH PAPER is that they were the first essays students were required to write, not just in composition class but in other courses. CHOOSING A TOPIC is something that has boggled many a mind. These are my guidelines, and enough students told me that the way I detailed essay requirements finally allowed the light bulb moment of understanding the process to be lit for them. Hopefully you'll find something helpful too.

[College Access and Opportunity Guide 2011](#), **College Essay Essentials** Ethan Sawyer, 2016-07-01 Let the College Essay Guy take the stress out of writing your college admission essay. Packed with brainstorming activities, college personal statement samples, and more, this book provides a clear, stress-free roadmap to writing your best admission essay. Writing a college admission essay doesn't have to be stressful. College counselor Ethan Sawyer, aka The College Essay Guy, will show you that there are only four really four types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay like deep? College Essay Essentials will help you with the best brainstorming exercises, choosing an essay structure, the all-important editing and revisions, exercises and tools to help you get started or get unstuck, college admission essay examples. Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and dare we say it, a little bit fun.
