Literature Suppressed on Social Grounds Dawn B. Sova, 2014-05-14 Literature Suppressed on Social Grounds Revised Edition discusses writings that have been banned over the centuries because they offended or merely ignored official truths challenged widely held assumptions or contained ideas or language unacceptable to a state religious institution or private moral watchdog The entries new to this edition include the Captain Underpants series We All Fall Down by Robert Cormier and Jake and Honeybunch Go to Heaven by Margaret Zemach Also included are updates to the censorship histories of such books as To Kill a Mockingbird and Of Mice and Men **Teaching English Language Learners** Michaela Colombo, Dana Furbush, 2009 This book prepares mainstream teachers to provide content instruction to English language learners *This Is Not a Copy* Kaja Marczewska, 2018-02-22 In *This Is Not a Copy* Kaja Marczewska identifies a characteristic copy paste tendency in contemporary culture a shift in attitude that allows reproduction and plagiarizing to become a norm in cultural production This inclination can be observed in literature and non literary forms of writing at an unprecedented level as experiments with text redefine the nature of creativity Responding to these transformations Marczewska argues that we must radically rethink our conceptions of artistic practice and proposes a move away from the familiar categories of copying and originality creativity and plagiarism in favour of the notion of iteration Developing the new concept of the Iterative Turn *This Is Not a Copy* identifies and theorizes the turn toward ubiquitous iteration as a condition of text based creative practices as they emerge in response to contemporary technologies Conceiving of writing as iterative invites us to address a set of new critical questions about contemporary culture Combining discussion of literature experimental and electronic writing mainstream and independent publishing with debates in 20th and 21st century art contemporary media culture transforming technologies and copyright laws *This Is Not a Copy* offers a timely and urgently needed argument introducing a unique new perspective on practices that permeate our contemporary culture **Salinger's The Catcher in the Rye** Sarah
