Conversations With Yogananda Conversations With Yogananda:

Conversations with Yogananda Swami Kriyananda, 2004-09-28 Conversations with Yogananda This is an unparalleled firsthand account of Paramhansa Yogananda and his teachings written by one of his closest students Yogananda is one of the world's most widely known and universally respected spiritual masters His Autobiography of a Yogi has helped stimulate a spiritual awakening in the West and a spiritual renaissance in his native land of India More than half a century ago in a hilltop ashram in Los Angeles California an American disciple sat at the feet of his Master faithfully recording his words as his teacher had asked him to do Paramhansa Yogananda knew this disciple would carry his message to people everywhere Kriyananda was often present when Yogananda spoke privately with other close disciples when he received visitors and answered their questions when he was dictating and discussing his important writings Yogananda put Kriyananda in charge of the other monks and gave him advice for their spiritual development In all these situations Kriyananda recorded the words and guidance of Yogananda preserving for the ages wisdom that would otherwise have been lost and giving us an intimate glimpse of life with Yogananda never before shared by any other student These Conversations include not only Yogananda's words as he first spoke them but also the added insight of an intimate disciple who has spent more than 50 years reflecting on and practicing the teachings of Yogananda Through these conversations Yogananda comes alive Time and space dissolve We sit at the feet of the Master listen to his words receive his wisdom delight in his humor and are transformed by his love

Conversations with Yogananda J. Donald Walters, Swami Kriyananda, 2004 This is an unparalleled first hand account of the teachings of Paramhansa Yogananda who has hundreds of thousands of followers and admirers in North America alone

Conversations with Yogananda J. Donald Walters, 2003 How You Can Talk with God Paramahansa Yogananda, 1985-06-01 *How You Can Talk With God* explains how we can all experience God's presence directly in our lives A favorite of spiritual seekers around the world it shows us how to pray with greater intimacy to create a deep and fulfilling personal relationship with the Divine This is a book to keep by the bedside discovering with each reading new gems of inspiration and wisdom *Conversations With Yogananda* Swami Kriyananda, 2003 This is an unparalleled first hand account of the teachings of Paramhansa Yogananda featuring nearly 500 never before released stories sayings and insights This is an extensive yet eminently accessible treasure trove of wisdom from one of the 20th Century's most famous yoga masters One of Yogananda's closest disciples Kriyananda faithfully recorded these words of his guru giving us this intimate glimpse of life with Yogananda as never before shared Also features 25 photos of the yoga master many of which are previously unreleased Publisher **Songs of the Soul** Paramhansa Yogananda, 2024-12-01 *SONGS OF THE SOUL* Original Writings of Paramhansa Yogananda Paramhansa Yogananda is best known for his Autobiography of a Yogi a book that he said the Lord Himself commissioned him to write in response to a silent call among many souls for a practical religion that would enable them to know the Divinity that dwells in their own hearts and souls Those who met Yogananda were overwhelmed by

the magnetic power of his love Saints and sages recognized him as one of their own Sri Ananda Moyi Ma Ramana Maharshi Sri Rama Yogi and Mahatma Gandhi these and many other great souls perceived in him an avatar God incarnated with the power to redeem not only a few close disciples but a vast flock who would be transformed by his divine ray As a bright light shining in the midst of darkness so was Yogananda's presence in this world Such a great soul comes on earth only rarely when there is a real need among men The Shankaracharya of Kanchipuram spiritual leader of millions of Hindus Though divinely tasked with bringing a practical teaching Yogananda preferred to express his wisdom not in dry intellectual terms but as pure expansive feeling To drink his poetry is to be drawn into the web of his boundless childlike love Nor was his vision limited to this earthly plane in one moment his Songs of the Soul invite us to join him as he plays among the stars with his Cosmic Beloved Then they call us to discover that portion of our own hearts that is eternally one with the Nearest and Dearest Like his famous Whispers From Eternity this volume is a bubbling singing wellspring of spiritual healing that we can bring with us everywhere Also included is the addition of five poems not included in the original 1923 edition Stories of Yogananda's Youth Swami Kriyananda, 2017-11-15 Stories from the youth of Mukunda Lal Ghosh later known to the world under his monastic name of Paramhansa Yogananda author of the bestselling spiritual classic Autobiography of a Yogi Even in his youth the greatness of this master of yoga was revealed Complements beautifully Yogananda's own autobiography The author Swami Kriyananda a direct and close disciple of Yogananda writes In this book I have tried to depict Yogananda's spirit a spirit ardent with love for God tender with sympathy for all men forgiving kindly humorous yet resolute and forceful when strength was needed From the preface Paramhansa Yogananda was born in India in the last decade of the nineteenth century His father a high official in the Bengal Nagpur railway was in a position to offer his children worldly security and success Mukunda's heart however was set on another kind of security and another higher kind of success final victory over ignorance through loving union with God Spurning earthly comforts he sought rigorous training under one of India's greatest living gurus Swami Sri Yukteswar of Serampore Bengal People often make the mistake of equating the spiritual life with dullness and prudery These stories should help to dispel that illusion Mukunda's keen sense of humor and love of pranks often startled his more sedate neighbors out of their mental ruts The personality that emerges from these episodes is joyous compassionate childlike yet fiercely determined loyal deeply in love with God and capable of standing alone in his convictions against the very world These stories have been written from true episodes in the master's life from approximately the ages of six to seventeen Some of the accounts were related to me by his relatives others by childhood friends But the greater number were told me by the master himself I have taken no liberties with those accounts beyond adding superficial details for poetic emphasis an occasionally combining separate episodes too brief to stand alone into a single story Stories from the Life of Yogananda Paramhansa Yogananda, 2025-09-01 Paramhansa Yogananda delighted audiences students and friends with stories drawn from his own life experiences and the people he met in his native India as well as during his global travels and

cross country teaching campaigns in the United States Lovingly told by his direct disciple Swami Kriyananda his nephew Hare Krishna Ghosh and Yogananda himself these stories are timeless in their relevance Addressing the age old challenges of society at large as well as the individual human predicament these stories often offer an impersonal perspective on our traits and tendencies Paramhansa Yogananda s stories demonstrate an expanded worldview that includes everyone While fully engaging in the modern world of his day he never identified with its limitations or tantalizing illusive promises With courage and willingness to stand up for universal truths he shows us that we have a choice in how we are going to live and in using our inherent soul ability we possess to adapt and change even drastically when called upon to do so This is the third book in the Wisdom Stories series Each story includes a Gem of Wisdom in Yogananda s own words By giving us a clear path to overcoming the limitations of ego adjusting our attitudes and expanding our hearts he offers us a priceless and lasting gift that we can then share with receptive hearts of any age [Affirmations for Self-Healing](#) Swami Kriyananda,2015-01-01

Scientists now acknowledge that an individuals thoughts influence their physical mental and emotional health People routinely enlist the help of psychologists and drugs to overcome their deeply rooted harmful thoughts This book contains 52 affirmations and prayers devoted to strengthening positive qualities such as will power good health forgiveness security and happiness **Awake and Ready** Hriman McGilloway,2023-10-01

Once and Future Christ When East Meets West There is a great need in these times for a deeper and more universal understanding of the teachings of Jesus Christ No mere intellectual analysis possesses the spiritual power and grace to transform the divisive dogma that separates sincere Christians from other faiths The yogis of India both ancient and modern have gifted to the world a revelation of universality for the healing of the nations Paramhansa Yogananda came to America in 1920 to focus the light of India s timeless and timely wisdom upon the teachings of Jesus Christ In Once and Future Christ Nayaswami Hriman McGilloway expands upon that message with the inclusion of modern scientific discoveries and an exploration of the similarities and relationships between Christianity and Yoga This book describes the inevitable evolution of Christian dogma towards greater inclusivity The pathway of this future evolution leads to an understanding that the individual soul s relationship to God is the goal of the spiritual life The beauty harmony and sacredness of individual spiritual traditions need not be sacrificed but may someday be understood in a deeper and more personally meaningful light
