Defy Dishmaid User Manual:

Defy Dr. Sunita Sah, 2025-01-14 Why is it so hard to speak up even when we know something's wrong? This is the definitive book on defiance: a clear-eyed dissection of the forces that silence us, featuring groundbreaking research and legendary stories alongside everyday examples and strategies for how to unleash the power of a True No. Many of us comply much more than we realize. How many times have you wanted to object, disagree, or opt out of something but ended up swallowing your words, shaking your head, and just going along? Analyzing cases ranging from corporate corruption and sexual abuse to everyday acquiescence at work, the doctor's office, and in our personal lives, award-winning organizational psychologist Dr. Sunita Sah delves deep into why the pressure to comply is a corrosive and often invisible force in our society. With her own revelatory research, she radically transforms our idea of defiance from a misunderstood negative trait into a crucial positive force for personal and societal change. Taking us through her five stages of defiance, Dr. Sah equips readers with simple tools to make decisions that align with their values. *Defy* is the essential playbook for how to speak up and act when it matters most. **Femina**, 2008

Damschroder, 2022-11-01 After Grant Neely helped save his first love from a psychopathic cult leader and watched her go off with her rich lawyer fiancé, he decided to hold out for the kind of love that would survive any test. Five years later, he's still waiting when Kendall Rivic lands on his beach. Their friendship and attraction have potential, but he knows something terrible sent her to their peaceful scrap of sand. Something maybe he can help her get through. Kendall isn't just running from her personal demons; though there's a mountain of danger about to come down on her, a complex mess of treason, betrayal, and murder. One man has his finger on the trigger, and if Grant gets involved, he'll be dragged under the enemy's nuclear umbrella. Too many people are already targets. She can't let Grant become one too. But when people they both care about are tied to Crux, a cult used by the enemy, Kendall fears there's no way she's convincing Grant to stay behind. He refuses to let Kendall face her demons alone, and at her side, he may just find the love he was looking for all along. **Fascinating Little-Known Facts from Around the World** Hadara Carol, 2021-11-18 What's In Store For You?
