Passing Orders S. Jonathon O'Donnell, 2020-12-01 Demonization has increasingly become central to the global religious and political landscape *Passing Orders* interrogates this centrality through an analysis of evangelical spiritual warfare demonologies in contemporary America Situating spiritual warfare as part of broader frameworks of American exceptionalism ethnonationalism and empire management author S Jonathon O'Donnell exposes the theological foundations of the systems of queer and transphobia anti blackness Islamophobia and settler colonialism that justify the dehumanizing practices of the current U.S. political order O'Donnell argues that demonologies are not only tools of dehumanization but also ontological and biopolitical systems that create and maintain structures of sovereign power or orthotaxies models of the right ordering of space time and bodies that stratify humanity into hierarchies of being and nonbeing Alternative orders are demonized as passing framed as counterfeit transgressive and transient Yet these orders refuse to simply pass on instead giving strength to deviant desires that challenge the legitimacy of sovereign violence Critically examining this challenge in the demonologies of three figures Jezebel the Islamic Antichrist and Leviathan *Passing Orders* reimagines demons as a surprising source of political and social resistance reflecting fragile and fractious communities bound by mutual passing and precarity into strategic coalitions of solidarity subversion and survival

The Conqueror's Tread Shandon L. Guthrie, 2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both

the theological and philosophical issues involved The Conqueror's Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more

American Evangelicals for Trump André Gagné, 2023-12-01 This book introduces the American Evangelical movement and the role it played in the support of Donald Trump Specifically it focuses on the Neocharismatic Pentecostal NCP leaders their beliefs and their political strategies The author examines why 81% of white evangelicals voted for Trump in 2016 and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency Additionally the book discusses how NCP leaders are part of the Christian Right a religious coalition with a political agenda centered on controversial issues such as anti abortion activism opposition to LGBTQ rights and the protection of religious freedom Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020 Dominion Spiritual Warfare and Eschatology the End Times the book examines how these ideas have sustained the evangelicals close to U S political power in the Trump era In light of the potential for Trump's return to power in 2024 the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring It is an essential read for all students and researchers of Evangelicalism Religion in America Political Theology or Religion and Politics **Self-Deliverance**

Made Simple Dr. Dennis Clark, Dr. Jennifer Clark, 2016-11-15 Deliverance is Simpler Than You Thought Deliverance For some the word is completely foreign What is deliverance Why would I even need it For others it carries unpleasant baggage Hyped up exorcism attempts shouting matches with demons and phenomena that's more Hollywood than Biblical Wherever you stand on the **They Flew** Carlos M. N. Eire, 2023-08-29 An award winning historian's examination of impossible events at the dawn of modernity and of their enduring significance Accounts of seemingly impossible phenomena abounded in the early modern era tales of levitation bilocation and witchcraft even as skepticism atheism and empirical science were starting to supplant religious belief in the paranormal In this book Carlos Eire explores how a culture increasingly devoted to scientific thinking grappled with events deemed impossible by its leading intellectuals Eire observes how levitating saints and flying witches were as essential a component of early modern life as the religious turmoil of the age and as much a part of history as Newton's scientific discoveries Relying on an array of firsthand accounts and focusing on exceptionally impossible cases involving levitation bilocation witchcraft and demonic possession Eire challenges established assumptions about the redrawing of boundaries between the natural and supernatural that marked the transition to modernity Using as his case studies stories about St Teresa of Avila St Joseph of Cupertino the Venerable Mar a de greda and three disgraced nuns Eire challenges readers to imagine a world animated by a different understanding of reality and of the supernatural's

relationship with the natural world The questions he explores such as why and how impossibility is determined by cultural contexts and whether there is more to reality than meets the eye or can be observed by science have resonance and lessons for our time Rebranding the Church Eric Mason, 2025-09-30 People do not trust Christianity anymore But rather than trying to make the church look better respected author and pastor Dr Eric Mason calls followers of Jesus to be better Dr Eric Mason has never been afraid to tell the truth even when it hurts In Rebranding the Church he doesn't just diagnose the problem he calls us back to something deeper older and more powerful Lecrae artist author and founder of Reach Records Scandals Hypocrisy Shallow sermons Do you see the brokenness within the church and wonder if she can ever authentically represent Jesus to the world Dr Eric Mason doesn't just call the church out He calls believers up equipping readers with actionable steps toward personal accountability and a renewed commitment to Christ's mission Rebranding the Church is a training manual for Christians to lovingly and truthfully share Christ with people who no longer respect the Christian faith It is a guide to addressing some of the biggest reputation issues Christians face and a ground level picture of what following Jesus actually looks like Dr Mason insists that we can welcome back people who have been hurt by the church We can reverse the negativity that has taken root and continues to spread It all starts now And it starts with you **Living the Abundant Life Through Divine Deliverance** Emmanuel Mc Lorren, 2011-07-12 Living the Abundant Life through Deliverance is a step by step guide to practical personal and group deliverance In this first volume the author intends to guide individuals to greater understanding of deliverance and by extension spiritual warfare The work is by no means exhaustive and it is a prelude to further volumes of study on spiritual warfare By reading this book you will receive knowledge that would transform you through the truths of God's Word in John 8:32 And you shall know the truth and the truth shall make you free Apostle Emmanuel Mc Lorren is an anointed servant of God who is married to Martha T Mc Lorren He is the founder of E M Mc Lorren Networking Ministries International and the visionary leader for Bethel Tabernacle Empowerment Centre Apostle Mc Lorren has served as a pastor from 1979 and is presently the Bishop of the St Lucia District of the Pentecostal Assemblies of the West Indies Chairman of the Fellowship of Gospel Preaching Churches in St Lucia and the Chairman of FAITH Fighting Against Increasing Threats to Humanity a non profit government organisation He is also a member of the International Coalition of Apostles Bishop Mc Lorren is also the author of Then Comes Revival Sound of the Abundance of Rain and Thine is the Kingdom **Ces évangéliques derrière Trump** André Gagné, 2020-09-02 Les chrétiens blancsvangéliques dits nés de nouveau ont joué un rôle considérable dans l'élection de 2016 en votant 81% en faveur de Donald J Trump Pour la frange charismatique pris du pouvoir politique le président Trump représente le seul espoir pour l'Amérique On le compare même parfois au roi Perse Cyrus le Grand libérateur choisi par Dieu pour l'affranchissement du peuple juif au VIe siècle avant notre ère Trois idées centrales ont contribué à l'émergence du charisme en politique aux États-Unis le dominionisme le combat spirituel c'est-à-dire la lutte contre le diable et l'éschatologie Sachant que l'élection de novembre 2020

sera décisive pour l'Amérique peut-on se permettre de négliger la façon dont ces idées ont façonné la politique sous l'administration Trump ? Nous proposons d'examiner la manière dont ces trois idées ont servi une certaine portion de l'électorat vanguardique au sein du pouvoir américain.
