Robert N. Mayer

Consumer Movement Guardians Of The Marketplace Social Movements Past And Present:

The Consumer Movement Robert N. Mayer, 1989 Analyzing the consumer movement from sociological economic and political perspectives Mayer argues that American consumer activists have successfully shaped public policy despite formidable obstacles He details the history of consumer activism in the United States looks at significant leaders and examines the key components of the present movement He measures its successes and failures compares it with movements in other countries shows how shrewd political maneuvering has combined with fortuitous circumstances to bring about legislation in the interest of consumers and foresees the problems and issues that will spark the next wave of consumerism ISBN 0 8057 9718 1 alk Paper 25 95

Rethinking Power in Organizations, Institutions, and Markets Damon Golsorkhi, David Courpasson, Jeffrey Sallaz, 2012-03-29 Organizations are central actors of modern society No understanding of our world is complete without a theory of how they work Successful organizations must engage in power projects Such is the overarching argument of this volume a collection of papers by many of the world's leading social scientists and organizational scholars

The Oxford Handbook of Social Movements Donatella della Porta, Mario Diani, 2015-10-29 The Oxford Handbook of Social Movements is an innovative volume that presents a comprehensive exploration of social movement studies mapping the field and expanding it to examine the recent developments in cognate areas of studies within and beyond sociology and political science This volume brings together the most distinguished social and political scientists working in this field each writing thought provoking essays in their area of expertise and facilitates conversations between classic social movement agenda and lines of research The Oxford Handbook of Social Movements discusses core theoretical perspectives recent contributions from the field and how patterns of macro social change may affect social movements as well as suggesting what contributions social movement studies can give to other research areas in various disciplines

Social Movements of the 1960s Stewart Burns, 1990 Examines the successes failures and influences of some of the various social movements of the 1960s

The Oxford Handbook of the History of Consumption Frank Trentmann, 2012-03-22 The term consumption covers the desire for goods and services their acquisition use and disposal The study of consumption has grown enormously in recent years and it has been the subject of major historiographical debates did the eighteenth century bring a consumer revolution Was there a great divergence between East and West Did the twentieth century see the triumph of global consumerism Questions of consumption have become defining

topics in all branches of history from gender and labour history to political history and cultural studies The Oxford Handbook of the History of Consumption offers a timely overview of how our understanding of consumption in history has changed in the last generation taking the reader from the ancient period to the twenty first century It includes chapters on Asia Europe Africa and North America brings together new perspectives highlights cutting edge areas of research and offers a guide through the main historiographical developments Contributions from leading historians examine the spaces of consumption consumer politics luxury and waste nationalism and empire the body well being youth cultures and fashion The Handbook also showcases the different ways in which recent historians have approached the subject from cultural and economic history to political history and technology studies including areas where multidisciplinary approaches have been especially fruitful

Two Paths to Women's Equality Janet Zollinger Giele,1995 In this first book to assess the combined influence of temperance and suffrage on woman s evolving role in American society sociologist Janet Zollinger Giele argues that the two movements together accomplished much more than either could have done alone

Consumer Politics in Postwar Japan Patricia L. Maclachlan,2002 This book examines Japan s postwar consumer protection movement which organized largely by housewives led to the passage of basic consumer protection legislation in 1968 Macmillan points to the importance of activity at the local level the role of minority parties the limited utility of the courts and the place of lawyers and academics in providing access to power

Handbook of Marketing and Society Paul N. Bloom,Gregory Thomas Gundlach,2001 Marketing scholars have a long history of conducting research on how marketing affects the welfare of society A significant body of knowledge has developed to look beyond marketing s impact on the corporate bottom line towards the affects of marketing on consumer sovereignty public health economic growth and other aspect of societal welfare The large and growing amount of research has become fragmented and diverse There is a need for a volume to pull all of this research together to facilitate the assessment of what we have learned and what we need to study further This volume fills that need Handbook of Marketing and Society presents the first comprehensive in depth examination of scholarly research on how marketing affects societal welfare Drawing on the talents of a distinguished group of contributors the editors have assembled key reviews analyses and perspectives on a broad range of research topics including deceptive advertising warning labels trademark infringement antitrust enforcement environmental labels privacy protection social marketing and corporate societal marketing An unifying model is presented in the introduction that illustrates the linkage of marketing knowledge marketing decisions and societal welfare Each chapter covers in a purposeful way a different link or path through which marketing can affect societal welfare Future research needs are identified in each chapter in order to help focus marketing thinking and marketing practice serve society more effectively Academics graduate students and others interested in marketing s role in society will find this a valuable resource and an excellent guidebook for future research
