While building a utopia much like The Republic does Augustine uses sound theology to build the foundations of the cities morals and lawful authority. Many theologies especially within the Catholic tradition owe their beginnings to the teachings of Augustine and this work is one of the starts of the field. Now in larger print.

**BOOK JACKET** Nightmares with the Bible Steve A. Wiggins, 2020-11-16 Demons Nightmares with the Bible views demons through two lenses that of western religion and that of cinema. Sketching out the long fear of demons in western history including the Bible Steve A Wiggins moves on to analyze how popular movies inform our beliefs about demonic forces. Beginning with the idea of possession he explores the portrayal of demons from ancient Mesopotamia and the biblical world including in select extra biblical texts and then examines the portrayal of demons in popular horror franchises The Conjuring The Amityville Horror and Paranormal Activity. In the final chapter Wiggins looks at movies that followed The Exorcist and offers new perspectives for viewing possession and exorcism. Written in non technical language this book is intended for anyone interested in how demons are perceived and how popular culture informs those perceptions.
