Contemporary Hinduism P. Pratap Kumar, 2014-09-11 Most overviews of Hindu belief and practice follow a history from the ancient Vedas to today. Such approaches privilege Brahmanical traditions and create a sense of Hinduism as a homogenous system and culture and one which is largely unchanging and based solely on sacred texts. In reality, modern Hindu faith and culture present an extraordinary range of dynamic beliefs and practices. Contemporary Hinduism aims to capture the full breadth of the Hindu worldview as practised today both in the subcontinent and the diaspora. Global and regional faith, ritualised and everyday practice, Brahmanical and non-Brahmanical belief and ascetic and devotional traditions are all discussed. Throughout the discussion is illustrated with detailed case material and images whilst key terms are highlighted and explained in a glossary. Contemporary Hinduism presents students with a lively and engaging survey of Hinduism offering an introduction to the oldest and one of the most complex of world religions. **Hinduism in the**

Modern World Brian A. Hatcher, 2015-10-05 Hinduism in the Modern World presents a new and unprecedented attempt to survey the nature, range and significance of modern and contemporary Hinduism in South Asia and the global diaspora. Organized to reflect the direction of recent scholarly research, this volume breaks with earlier texts on this subject by seeking to overcome a misleading dichotomy between an elite intellectualist modern Hinduism and the rest of what has so often been misleadingly termed traditional or popular Hinduism. Without neglecting the significance of modern reformist visions of Hinduism, this book reconceptualizes the meaning of modern Hinduism both by expanding its content and by situating its expression within a larger framework of history, ethnography and contemporary critical theory. This volume equips undergraduate readers with the tools necessary to appreciate the richness and diversity of Hinduism as it has developed during the past two centuries. **Contemporary Hinduism** Robin Rinehart, 2004-07-21 An examination of the

contemporary practices, beliefs and issues of one of the world's oldest and most enduring religions both within its Indian homeland and throughout the world. Contemporary Hinduism: Ritual, Culture and Practice illuminates the modern-day ritual range and reach of this ancient and diverse religion. A brief historical overview is followed by discussions of the oral and written origins of Hinduism that give context for the main emphasis: contemporary thought, practice and key issues. Unique to this work is the consistent attention given to the practice of Hinduism for both men and women. What roles do caste and gender play in modern Hinduism? How are issues like ethics and the environment approached? What are the differences between urban and rural Hinduism, fundamental and secular Hinduism? To what countries has this religion spread and how do the beliefs and practices of their people compare and contrast? Essays written by Indian and Western scholars answer these and other intriguing questions, introducing readers to the whole world of living Hinduism rather than the perspectives and traditions of a small elite. **Contemporary Hinduism** R. P. Singh, **Contemporary Hinduism** P. Pratap Kumar, 2013

Weiss,2019-07-16 The Emergence of Modern Hinduism argues for the importance of regional vernacular innovation in processes of Hindu modernization Scholars usually trace the emergence of modern Hinduism to cosmopolitan reform movements producing accounts that overemphasize the centrality of elite religion and the influence of Western ideas and models In this study the author considers religious change on the margins of colonialism by looking at an important local figure the Tamil Shaiva poet and mystic Ramalinga Swami 1823 1874 Weiss narrates a history of Hindu modernization that demonstrates the transformative role of Hindu ideas models and institutions making this text essential for scholarly audiences of South Asian history religious studies Hindu studies and South Asian studies Learn more at www.luminosoa.org
