

THE CONTRIBUTOR'S IDENTITY

Contributor Identity Ppt Free

Alyson Simpson

Contributor Identity Ppt Free:

Lessons from the Identity Trail Ian R. Kerr, Valerie M. Steeves, Carole Lucock, 2009 This contributed volume is the first multidisciplinary analysis about the problems and potential for anonymity and privacy in a networked society The book examines key questions about identity in a global environment that increasingly automates the collection of personal information and uses surveillance to reduce corporate and security risks

The Use of Children's Literature in Teaching Alyson Simpson, 2016-03-22 The Use of Children's Literature in Teaching reveals the impact of politics professional guidelines and restrictive measurements of literacy on the emerging identities of young teachers It places renewed emphasis on the importance of creative teaching with children's literature for the empowerment of teacher agency to enhance the learning of their students Framing the debate alongside the issue of teacher autonomy Simpson describes results from a two year study which brings together information from interviews surveys document analysis and digital stories from Australia Canada the UK and the US to assess the role of children's literature in pre service teacher education Through cross cultural comparison this research captures the different levels of connection between politics education systems higher education and pre service teachers It exposes how politics narrow views of professionalism and program structures in teacher education may adversely affect the development of pre service teachers This book presents a strong case that reading and responding critically to literary texts leads to better educational outcomes than basic decoding and low level comprehension training As such this book will be of great interest to researchers and scholars working in the areas of teacher education and literacy and primary education It should also be essential reading for teacher educators and policymakers
