
CPACE Practice Test 3 questions with correct answers

Of the following, which would NOT be used to measure the "Others' perception" phase of the Self Assessment Model?

- a. Assessment activities.
- b. Internal reflection.
- c. Questionnaires completed by others.
- d. 360 degree profiles. **CORRECT ANSWER** Correct Answer:
- b. Internal reflection.

Explanation:

Correct answer: Internal reflection When conducting the others' perception step, activities should be geared to obtaining outside information about oneself. Internal reflection would be appropriate for the "Self awareness" phase of the model.

Which of the following topics would be appropriate for a school level orientation of new teachers?

- a. School safety plans.
- b. Retirement benefits.
- c. Health insurance options.

Cpace Sample Test Questions:

Cpace Written Practice Questions: Cpace Practice Tests & Exam Review for the California Preliminary Administrative Credential Examination Exam Secrets Test Prep Staff Cpace, 2018-04-12 CPACE Written Practice Questions are the simplest way to prepare for the California Preliminary Administrative Credential Examination Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you're already prepared enough to achieve success on your test day. If you do well on the practice test then you know you're prepared. If you struggle on the practice test then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our CPACE Written Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test. That's why our CPACE Written Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
