self revelation it requires is often too daunting a task Complete and unrestrained sharing of self exposes the deepest human fear of being rejected for being ourselves InThe Seven Levels of Intimacy Matthew Kelly both acknowledges and calms our fears while teaching us how to move beyond them to experience the power of true intimacy Matthew reveals that each relationship is built upon a pattern of interaction In the beginning stages we rely on casual interactions gaining familiarity by focusing on superficialities and facts We grow closer and begin to share our opinions learning to accept each other and embrace the growing relationship despite the difference in our experiences and viewpoints Once our differences and opinions are shared and accepted we feel safe enough to reveal our hopes dreams and feelings developing trust With this trust we open ourselves and are able to share our legitimate needs becoming liberated from carrying the burden of our real needs alone At last we are deeply intimate and both willing and able to reveal our deepest fears We are beyond judgment and feel trust and acceptance By moving through and building upon each level of intimacy we find comfort and gain trust in our partners and ourselves until by developing and deepening our intimacy within each level we are able to fully open ourselves finally opening to the possibility of truly being loved It is through mastering the seven levels of intimacy that we will break through to fully experiencing love commitment trust and happiness The Seven Levels of Intimacyis a brilliant and practical guide to creating and sustaining intimacy whether you are looking for a deeper sense of connection with your spouse looking for more fulfillment in your relationship with your boyfriend or girlfriend trying to improve your relationships with your children or simply wondering what you should be looking for in a partner With profound insight and the use of powerful everyday examples Matthew Kelly explains how we can nurture the intimacy in our relationships The Seven Levels of Intimacyredefines how we view our interactions with others This new understanding leads us to successfully create the strong connections deep joy and lasting bonds that we all long for **Help! Doom soap operas baseball card collecting the Tour de France karaoke lesbian desire in the Wizard of Oz Internet fandom for the series Babylon 5 and the stress management industry Broader themes examined include the origins of popular culture the aesthetics and politics of performance and the social and cultural processes by which objects and practices are deemed tasteful or tasteless The commitment that binds the contributors is to an emergent perspective in cultural studies one that engages with popular culture as the culture that sticks to the skin that becomes so much a part of us that it becomes increasingly difficult to examine it from a distance By refusing to deny or rationalize their own often contradictory identifications with popular culture the contributors ensure that the volume as a whole reflects the immediacy and vibrancy of its objects of study Hop on Pop will appeal to those engaged in the study of popular culture American studies cultural studies cinema and visual studies as well as to the general educated reader Contributors John Bloom Gerry Bloustein Aniko Bodroghkozy Diane Brooks Peter Chvany Elana Crane Alexander Doty Rob Drew Stephen Duncombe Nick Evans Eric Freedman Joy Fuqua Tony Grajeda Katherine Green John Hartley Heather Hendershot Henry Jenkins Eithne Johnson Louis Kaplan Maria Koundoura Sharon Mazer Anna McCarthy Tara McPherson Angela Ndalianis Edward O'Neill Catherine Palmer Roberta Pearson Elayne Rapping Eric Schaefer Jane Shattuc Greg Smith Ellen Strain Matthew Tinkhom William Uricchio Amy Villarego Robyn Warhol Charles Weigl Alan Wexelblat Pamela Robertson Wojcik Nabeel Zuberi

I Love You Baby Jonathan Hall, 2011-08-01 I Love You Baby sets out to show parents how they can meet the emotional needs of their children so that they will become happy and well balanced adults Since adults also have emotional needs parents are shown how to meet them for one another so that their relationship will endure until the nurturing of their children is completed Adult relationships and the rearing of children are based on love and so the book explains the differences between romantic love between parents and the love between parents and their children Most parents take care of their children's physical needs very adequately especially when they are babies and those needs are simple being fed kept warm and dry It is in the area of emotional support that they often fail them such as providing affirmation addressing problems and imposing proper discipline Inadequate parenting is a consequence of parents having virtually no knowledge of how good parenting is achieved because nobody ever told them how it should be done and they did not learn about it from their own parents For unlike other jobs there is no training and no exam to pass before one becomes a qualified parent This book provides all the information parents will ever need to have a solid partnership and achieve a good standard of parenting It also encourages prospective mums and dads to face the reality of what can go wrong because of a lack of knowledge It is written by an author who has spent many years working with voluntary organisations to help troubled adults work through childhood traumas that in turn led Jonathan to devise a course in psychology for parents which has become I Love You Baby
