Casa Marketing Intro To Google Analytics:

Casa Marketing Todd Kelsey, 2015-08-25 Don't be alarmed Analytics can be fun LinkedIn consistently shows Digital Online Marketing as a top skill that gets people hired and Web Analytics is one of the core skills for online marketing Analytics allows you to understand the performance of Websites and ad campaigns The goal of this book is to introduce analytics for beginners and to encourage readers to try it out and consider learning more I also want to see if I convince you that it is actually fun Web Analytics is becoming increasingly important to online marketers as they seek to track return on investment and optimize their websites We'll learn about Google Analytics starting with creating a blog and monitoring the number of people who see the blog posts and where they come from

OUTLINE

CH1 Overview This chapter takes a look at what analytics is and introduces related concepts

CH2 Blogalytics a basic recipe to get started in analytics to take the first step in being able to track web traffic and see what they're up to We'll create a simple blog start a Google Analytics account and connect the two and discuss things along the way The goal is to make a simple relevant way to start exploring analytics

CH3 Getting Traffic for Analytics In this chapter we're going to look at a couple basic techniques to generate traffic for a blog or website following on our previous chapter about creating a blog The purpose of these chapters is to be a self-contained experiment Ultimately you need traffic in order to be able to look at analytics so this chapter has a few ways to generate traffic

CH 4 Reviewing Performance of Campaigns In this chapter we're going to take a light look at some of the ways you can see information about the performance of a website or campaign as well as some related terms and the idea of ongoing reporting

CH5 Fun with eCommerce Analytics Part I Shopify Tracking ROI is a 50 billion dollar skill because it's at the core of Google's success and you could argue it's a trillion dollar skill because of how much revenue Google helps businesses to make In this chapter we're going to look at how to set up a Shopify account which is one of the easiest ways to set up a real eCommerce system to learn about tracking ROI with analytics I think it's important to see how you can set things up so that when you make an ad you can track exactly how much money you are making

CH6 Fun with eCommerce Analytics Part II Adwords This is part 2 of a 2 chapter series whose goal is to capture the full life cycle of analytics and take a close look at ROI return on investment The goal is to shed light on an elusive quarry when you are spending money on ads how can analytics help you know how much money you are making And the exciting thing is that Adwords provides a way to do this Shopify provides a foundation for ecommerce and Adwords provides a way to advertise a site and then track conversion

CH7 Fun with eCommerce Analytics Gumroad In this chapter we're taking another look at ecommerce analytics courtesy of Gumroad a free super easy to use platform In some ways this chapter is a back up to the previous two chapters another way to learn about analytics in a live setting

CH8 Exploring Google Analytics Certification In this chapter we're going to explore some of the opportunities that Google offers directly in terms of learning material and the Google Individual Qualification which can be a nice thing to have on your website or resume
