Datsun Roadster Service Manual:

The Datsun Roadster Book - Part II Technical and Service Manual Scott Sheeler,2010-04 The Datsun Roadster Book is THREE Parts Over 880 pages across all three 3 volumes It still has 20 road tests and racing articles most not seen in the US It still has 44 pages of translations and pictures from Fairlady I and II It still has 13 old Datsun Competition Bulletins including one of the very FIRST competition catalogs from 1970 In the three volumes we have over 180 color pictures and illustrations We ve included 3 classic Datsun Service Bulletins for more historical information This is PART II The Technical and Service Manual One of the things that had been sorely lacking since the day the first roadster arrived on these shores was a good service manual that described day to day maintenance and service tasks in English oh yeah and made sense All the manuals of the period were original NISSAN publications that were translated in the early and mid 60 s Coming before the time of Americanization of the staff the documents were pretty atrocious if you just wanted to adjust the valves set the timing replace brakes or something like that Of course they did spend several pages describing how to set the clearances on the differential gears if you were in the mood to rebuild your differential In 1986 we began writing service manual information to include with our parts catalog We tried to cover the major things like engine and gearbox rebuilds figuring that most people could find someone who could set the valves or change the oil Since the original version in 1986 we have expanded the service manual and added additional topics Each volume of The Datsun Roadster Book is sold separately so you can buy what you need when you need it Check Amazon for all three of our volumes Thanks for you for your Kindle purchase

The Datsun Roadster Book Part VII REPRINT SRL311 2000 Sports Workshop Service Manual U-20 and 5-Speed Supplement Scott Sheeler,2019-02-10 This REPRINT Datsun factory service manual was issued to assist dealers on the introduction of the Datsun 2000 SRL311 sports car in 1967 This manual focuses on the U 20 engine and the 5 speed transmission that were completely new to the Datsun sports cars This REPRINT is composed from high quality scans of a clean lightly used manual which results in crisp easy to read pages The Datsun Roadster Book Part V Reprint Spl310 Dual Carburetor Workshop Service Manual Scott Sheeler,2019-02-22 This REPRINT Datsun factory service manual was issued to assist dealers on the change from the single carburetor SPL310 1500 roadster to the 1500 dual carburetor cars that were introduced in 1964 The manual covers all basic maintenance and repair steps for this model of car The REPRINT is composed from high quality scans of a clean lightly used manual which results in crisp easy to read pages We ve taken some liberties with the content adding pages that were not in the original to bring it up to the level of a full usable manual We have also adjusted the Table of Contents pages to match the pages of the REPRINT Please NOTE There is a separate manual for the single carburetor SPL 310 1500 s listed elsewhere in Amazon **The Datsun Roadster Book - Part III the Translations and Service Bulletin Manual** Scott Sheeler,2010-04 The Datsun Roadster Book is THREE Parts It has over 880 pages It still has 20 road tests and racing articles most not seen in the US It still has 44 pages of translations and

pictures from Fairlady I and II It still has 13 old Datsun Competition Bulletins including one of the very FIRST competition catalogs from 1970 In the three volumes we have over 180 color pictures and illustrations We ve included 3 classic Datsun Service Bulletins for more historical information This is Part III The Translations and Service Manual When we released The Datsun Roadster Book back in 2006 we included a small translated section of the original NEKO Fairlady books We received so many positive comments that we decided that Part III would have to be built around additional translations Well our translator from Part I had returned to Japan so we were left without a friend nearby that could translate Japanese What to do In lieu of a live person we discovered a software package that could provide a translation to English that even though far from perfect gave us a starting point to translate a bunch more information We made the financial commitment purchased the software and Part III includes 44 more pages of pictures and translations from the 1977 version of Fairlady I and II As we made our way through the translation process we learned the following interesting words thorexex solexesoil air conditioner oil coolerfair ready fair ladyload star roadsterkarbureta carbureto reguzosuto exhaustkavua coverhob shiyahu Bob SharpJapanese sentence structure is very different from what we in the USA are used to Many of the Japanese meanings required consultation with a thesaurus to figure out exactly what they meant It took about 8 hours per page to translate the text sometimes we d get half the paragraph done and then have to move on and fall back later Sometimes one translation result helped with another In the end we believe we ve gotten it pretty close to the intended thought In any event it s our interpretation although not completely Americanized In addition we added some more road tests many from foreign magazines some more brochures three 1960 s vintage Datsun Service Bulletins and a 20 page color spread from the from October 2007 Z File Fairlady and Fairlady Z History We got permission to publish these pages courtesy of our roadster friend in Japan and D R F C member Takeshi Izuka Takeshi by the way is the proud owner of an imported LHD 1969 2000 that he has maintained in showroom condition Each volume of The Datsun Roadster Book is sold separately so you can buy what you need when you need it Check Amazon for all three of our volumes
