Casa Del Herrero The Romance Of Spanish Colonial

**Herb Andree, Noel Young, Patricia
Halloran**

Casa Del Herrero The Romance Of Spanish Colonial:

Casa Del Herrero Robert Sweeney, 2009-10-27 The author describes Casa del Herrero including the early schemes the many revisions the extensive gardens and the extraordinary details inside He ends with a chapter on the social events that took place in the house Illustrations throughout include contemporary photography of every aspect of the house **The Spanish Craze** Richard L. Kagan, 2019-03 The Spanish Craze is the compelling story of the centuries long U S fascination with the history literature art culture and architecture of Spain Richard L Kagan offers a stunningly revisionist understanding of the origins of hispanidad in America tracing its origins from the early republic to the New Deal As Spanish power and influence waned in the Atlantic World by the eighteenth century her rivals created the Black Legend which promoted an image of Spain as a dead and lost civilization rife with innate cruelty and cultural and religious backwardness The Black Legend and its ambivalences influenced Americans throughout the nineteenth century reaching a high pitch in the Spanish American War of 1898 However the Black Legend retreated soon thereafter and Spanish culture and heritage became attractive to Americans for its perceived authenticity and antimodernism Although the Spanish craze infected regions where the Spanish New World presence was most felt California the American Southwest Texas and Florida there were also early quite serious flare ups of the craze in Chicago New York and New England Kagan revisits early interest in Hispanism among elites such as the Boston book dealer Obadiah Rich a specialist in the early history of the Americas and the writers Washington Irving and Henry Wadsworth Longfellow He also considers later enthusiasts such as Angeleno Charles Lummis and the many writers artists and architects of the modern Spanish Colonial Revival in the United States in the late nineteenth and early twentieth centuries Spain s political and cultural elites understood that the promotion of Spanish culture in the United States and the Western Hemisphere in general would help overcome imperial defeats while uniting Spaniards and those of Spanish descent into a singular raza whose shared characteristics and interests transcended national boundaries With elegant prose and verve The Spanish Craze spans centuries and provides a captivating glimpse into distinct facets of Hispanism in monuments buildings and private homes the visual performing and cinematic arts and the literature travel journals and letters of its enthusiasts in the United States **George Washington Smith** Patricia Gebhard, 2005 Surveys the work of the father of the Spanish Colonial Revival style of architecture that can be found throughout the warm dry climate of Southern California and is identified by enclosed courtyards white stucco walls wrought iron window grilles and shady balconies *Santa Barbara Architecture, from Spanish Colonial to Modern* Herb Andree, Noel Young, Patricia Halloran, 1995 This documentation of the architecture of Santa Barbara California has grown since the first edition was published in 1970 the second 1980 saw an expanded format and some 150 new photographs and the third includes still more pages and photographs The architectural examples presented here selected from thousands taken on a block by block survey were chosen for purity of style historical significance and uniqueness Each clear and beautiful black and white photograph shows the date of construction name of

architect designer or builder address and alterations or additions to the building 11x10 Annotation c by Book News Inc Portland Or California Mediterranean Marc Appleton, 2007 In the early 20th century architects designing houses for the balmy climate of Southern California were influenced by the style of the villas and palaces that dominated the architecture of Italy France Spain Greece and Morocco and a few other North African locales The resulting style noted for its pleasing combination of simplicity and dignity for its often asymmetrical undecorated facades reflected romantic European forms and yet distinguished itself by adding American ingenuity Prime examples of this include Villa Narcissa widely celebrated for its unimposing grandeur and Casa Leon with its stunning hillside location and ocean views Included here are residences by noted architects such as Julia Morgan Bertram Goodhue Addison Mizner George Washington Smith Wallace Neff and others While some of the houses are lavishly decorated villas with lush landscaping others are more spare creations what all these interpretations of the California Mediterranean style have in common is an indoor outdoor approach to living *Good Places and Non-places in Colonial Mexico* Gómez-Herrero Gómez, Vasco de Quiroga, 2001 High state official and judge of the Supreme Court or the Segunda Audiencia and later first bishop of the state of Michoacan Vasco de Quiroga is still celebrated for the alternative community models he established for the Purepecha Indians in the Northwestern state of Michoacan in Mexico This study offers the most complete approach to date to the writings directly attributed to this state official of the Spanish Empire and also to the scholarship about him This work provides critical readings of Quiroga's texts including the Rules and Regulations for the Government of the Hospitals of Santa Fe de Mexico and Michoacan Informaci n en Derecho De Debellandis Indis and the Juicio de Residencia and relates them to more widely known figures such as Gin s de Sep lveda Bartolom de las Casas Bernal D az del Castillo and Francisco de Vitoria among others This book will be of interest to all those engaged in the history of literature legal studies utopianism Hispanic Spanish studies of the Early Modern Period Colonial Latin American Studies and Golden Age Studies Bulletin MLSA University of Michigan. College of Literature, Science, and the Arts, 2007 **Female Criminality and "Fake News" in Early Modern Spanish Pliegos Suelos** Stacey L. Parker Aronson, 2021-12-29 This book studies the Early Modern Spanish broadsheet the tabloid newspaper of its day which functioned to educate entertain and indoctrinate its readers much like today's fake news Parker Aronson incorporates a socio historical approach in which she considers crime and deviance committed by women in Early Modern Spain and the correlation between crime and the growth of urban centers She also considers female deviance more broadly to encompass sexual and religious deviance while investigating the relationship between these pliegos suelos and the transgressive and disruptive nature of female criminality In addition to an introduction to this fascinating subgenre of Early Modern Spanish literature Parker Aronson analyzes the representations of women as bandits and highway robbers as murderers as prostitutes libertines and actors as Christian renegades as enslaved people as witches as miscegenationists and as the recipients of punishment **Women in Convent Spaces and the Music Networks of Early Modern Barcelona**

Ascensión Mazuela-Anguita, 2023-02-10 This book presents the first study of music in convent life in a single Hispanic city Barcelona during the early modern era Exploring how convents were involved in the musical networks operating in sixteenth century Barcelona it challenges the invisibility of women in music history and reveals the intrinsic role played by nuns and lay women in the city's urban musical culture Drawing on a wide range of archival sources this innovative study offers a cross disciplinary approach that not only reveals details of the rich musical life in Barcelona's nunneries but shows how they took part in wider national and transnational networks of musical distribution including religious commercial and social dimensions of music The connections of Barcelona convents to networks for the dissemination of music in and outside the city provide a rich example of the close relationship between musical networks urban society and popular culture Addressing how music was understood as a marker of identity prestige and social status and above all as a conduit between earth and heaven this book provides new insights into how women shaped musical traditions in the urban context It is essential reading for scholars of early modern history musicology history of religion and gender studies as well as all those with an interest in urban history and the city of Barcelona The book is supported by additional digital appendices which include Records of inquiries into the lineage of Santa Maria de Jonqueres nuns Development of the collections of choir books belonging to the convents of Santa Maria de Jonqueres and Sant Antoni i Santa Clara
