Cascade Summer My Adventure On Oregons Pacific Crest Trail:

Cascade Summer Bob Welch, 2018-11-13 Cascade Summer is the story of Bob Welch's 452 mile hike on the Oregon portion of the Pacific Crest Trail in 2011. Adventure, breathtaking views, and new friends from around the world the trip had it all. But there was no way the author was prepared for the bittersweet ending. **52 Little Lessons from a Christmas Carol**

Bob Welch, 2015-09-15 How do we learn life lessons from a grumpy penny pincher so unpleasant that dogs run from him on sight? Does Scripture suggest we all have a touch of Scrooge in us? Can we all benefit from reexamining who we've become in our own life stories? Bestselling author Bob Welch invites us to discover these questions and more in **52 Little Lessons from A Christmas Carol**. Join Welch as he takes you deeper into the nuances of this timeless story by Charles Dickens. From the stinginess of Scrooge to the innocence of Tiny Tim, the biblically based devotions in **52 Little Lessons from A Christmas Carol** will inspire you to live for what really matters, not only at Christmas but all year long. **52 Little Lessons from A Christmas Carol** will help you get to know this holiday classic and yourself better. This devotional, much like the original novel, is tinted with a fair share of how not to live lessons as well as how to live lessons, helping us see that we can learn from both. Just like we do in Scripture, as you enjoy **A Christmas Carol** in this brand new light, you'll learn that Death is a comma, not a period. It's never too late to change. Generosity changes your perspective. Life is best lived imaginatively. With help from others, we can all become the best versions of ourselves. In **52 Little Lessons from A Christmas Carol**, discover why **A Christmas Carol** is more than just a holiday tradition; it's an exploration of charity, grief, and making the most of the lives that we're given. **The Pacific Crest Trailside Reader, Oregon and Washington**

Rees Hughes, Corey Lewis, 2011-10-17 Unique woodcut illustrations decorate both volumes. Trail map to follow story locations in each volume. For both hikers and armchair adventurers of the PCT, exploring the people, places, and history of the Pacific Crest Trail as it ranges 2,600 miles from Mexico to Canada. **THE PACIFIC CREST TRAILSIDE READER EBOOK** brings together short excerpts from classic works of regional writing with boot-tested stories from the trail. The heart of this anthology is these real trail tales: stories taken from PCT hikers, trailside humor and traditions, trail angels, and trail magic encounters with wildlife and wild weather stories of being lost and found, rescues, and unusual incidents. Revealing a larger context are historical accounts of events such as Moses Schallenberger's winter on Donner Pass and pioneer efforts like the old Naches Road that ended up creating access to today's trails. Native American myths and legends such as that of Lost Lake near Mount Hood and selections from highly regarded environmental writers who have captured the region in print, including Mary Austin in *The Land of Little Rain*, John Muir in *The Mountains of California*, and Barry Lopez in *Crossing Open Ground*. Readers will also enjoy a few more surprising contributions from the likes of Mark Twain and Ursula Le Guin. For this digital edition of the **PCT READER**, we combined our two print volumes into a single robust ebook that features stories from both the **CALIFORNIA** and **OREGON WASHINGTON** volumes. Because the two-volume set is a compilation of old and new essays, however, the editors were not able to obtain

digital publication rights for some of the previously published material So while this combination ebook includes all the newly commissioned stories as well as many other pieces for which the editors did have digital access there are approximately four contributions from each of the printed books that do not appear here Pilgrimage To The Edge Jonathan

Stewart,2010-12-06 Pilgrimage to the Edge details a four year odyssey hiking the Pacific Crest Trail with unique insights gained from thirty three years of public service It showcases the hard won fight to preserve America s public lands and the diversity of people who continue to use and work them It vividly displays the contemporary challenges of caring for our nation s national forests from a field perspective while weaving over a century of history and culture into a 2 650 mile trek Finally it gives clear advice on how to hike this world class national scenic trail in a series of easy stages instead of in one continuous trek **2500-mile Walk** Karl Ellingson,1981 **Life & Duty** Les Joslin,2014-06-05 The fact of being a citizen of the United States of America offers the opportunity not the guarantee but the opportunity to live an extraordinary life Les Joslin writes in the introduction to Life Duty an autobiography in which he proves his thesis as he relives the first seventy years of his American adventure He shares these years in twenty chapters that comprise this three part volume Part I covers his family heritage and early years from 1943 to 1967 Part II his U S Navy career from 1967 to 1988 and Part III his life in Oregon from 1988 From Part I Chapter 5 Summer 1965 on the Toiyabe National Forest That wasn t the first time I d dealt with an armed citizen and it wouldn t be the last Some of the challenges of my fire prevention job had nothing to do with wildfire prevention but everything to do with the fact I was sometimes the only public servant around to handle a situation It had to do with that sometimes gray area between official duty and moral obligation The previous summer on my way to Twin Lakes I detoured to check the dump I d burned a few days before Suddenly I heard shots just as the Lone Ranger and Tonto did in the opening scene of almost every episode and what I saw as I neared the dump scared me A big beefy fortyish man standing next to a late model Cadillac sedan was firing a high powered rifle He d heard me coming and turned as I stopped the patrol truck He didn t look particularly threatening But there were serious unknowns I didn t know him I didn t know what he might shoot at I didn t know he wouldn t shoot at me From Part II Chapter 10 November 1979 aboard USS Kitty Hawk On November 28 I got up showered and shaved put on clean khakis as usual and started toward the wardroom for breakfast The usual scent of salt and jet fuel was in the air and I had a lot on my mind I descended two ladders to the hangar bay only to be brought up short by bumping my head on a helicopter that wasn t supposed to be there A quick look around revealed seven more RH 53D Sea Stallion helicopters that their HM 16 markings told me belonged to Helicopter Mine Countermeasures Squadron Sixteen not part of the ship s air wing So that s why the swing south to Diego Garcia They d been flown there probably in C 5As and had flown aboard last night Had I actually slept through flight quarters I forgot about breakfast climbed the ladders back to the 02 level and knocked on the door of the flag N 2 s office This isn t going to work I said as he opened the door We can t fly those helicopters into a city of five million hostiles and rescue fifty hostages They don
