

DASHIELL HAMMETT

Crime Stories and Other Writings

In the stories and novellas he wrote for *Black Mask* and other pulp magazines in the 1920s and 1930s, Dashiell Hammett took the detective story and turned it into a medium for capturing the jarring textures and revved-up cadences of modern American life. In this volume, The Library of America collects the finest of these stories: 24 in all, along with some revealing essays and an earlier version of his novel *The Thin Man*.

Mixing melodramatic panache and poker-faced comedy, a sensitivity to place and a perceptive grasp of social conflict, Hammett's stories are hard-edged entertainments for an era of headlong change and extravagant violence. For the heroic sagas of earlier eras Hammett substituted the up-tempo, devious, sometimes nearly nihilistic exploits of con men and blackmailers, fake spiritualists and thieving politicians, slumming socialites and deadpan assassins.

ninety two years had the whole of his exploits contained in one book The book features all twenty eight of the original standalone Continental Op stories the original serialized versions of Red Harvest and The Dain Curse and previously unpublished material This anthology of Continental Op stories is the only complete one volume work of its kind **Critical Essays on English and Bengali Detective Fiction** Debayan Deb Barman,2022-02-28 Critical Essays on English and Bengali Detective Fiction brings together three strains of detective fiction British American and Bengal The import of detective fiction from Britain has influenced generations of writers of Bengali detective fiction In this anthology of critical essays by scholars on detective fiction we have divided the contents into three groups First there are essays on classic British detective fiction with essays on Charles Dickens Wilkie Collins Arthur Conan Doyle Agatha Christie P D James Kate Atkinson and Margery Allingham The second section is on American hard boiled fiction with essays on Dashiell Hammett and Raymond Chandler The third section is on Bengali detective fiction with essays on Hemendra Kumar Roy Saradindu Bandyopadhyay and Satyajit Ray Together these essays bring three strains of detective fiction into conversation to show the gradual postcolonial attempt of Bengali detective fiction to outgrow colonial influences and create an original and organic tradition of regional and vernacular detective fiction *The American Police Novel* Leroy Lad Panek,2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor **A Companion to Crime Fiction** Charles J. Rzepka, Lee Horsley,2010-01-21 A Companion to Crime Fiction presents the definitive guide to this popular genre from its origins in the eighteenth century to the present day A collection of forty seven newly commissioned essays from a team of leading scholars across the globe make this Companion the definitive guide to crime fiction Follows the development of the genre from its

origins in the eighteenth century through to its phenomenal present day popularity Features full length critical essays on the most significant authors and film makers from Arthur Conan Doyle and Dashiell Hammett to Alfred Hitchcock and Martin Scorsese exploring the ways in which they have shaped and influenced the field Includes extensive references to the most up to date scholarship and a comprehensive bibliography **Hard-Boiled Sentimentality** Leonard Cassuto,2008-11-05

Leonard Cassuto s cultural history links the testosterone saturated heroes of American crime stories to the sensitive women of the nineteenth century sentimental novel From classics like *The Big Sleep* and *The Talented Mr Ripley* to neglected paperback gems Cassuto chronicles the dialogue centered on the power of sympathy between these popular genres and the sweeping social changes of the twentieth century ending with a surprising connection between today s serial killers and the domestic fictions of long ago **Noir Fiction and Film** Lee Clark Mitchell,2021-11-25 The argument of *Noir Fiction and Film* is curiously counterintuitive that in a century of hard boiled fiction and detective films characteristics that at first seemed trivial swelled in importance flourishing into crucial aspects of the genre Among these are aimless descriptions of people and places irrelevant to plot along with detectives consisting of little more than sparkling dialogue and flippant attitudes What weaves together such features however seems to be a paradox that a genre rooted in solving a mystery structured around the gathering of clues must do so by misdirecting our attention even withholding information we think we need to generate the suspense we also desire Yet successful noir stories and films enhance that suspense through passing diversions descriptive details and eccentric perspectives rather than depending on the center pieces of plot alone suspected motives or incriminating traces As the greatest practitioners of the genre have realized the how of detective fiction its stylistic detours draws us in more insistently than the what or the who its linear advance And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention shorn of any pretense of reading for the plot immersing us in the diversionary delight that has animated the genre from the beginning
