Dave Barry Slept Here Dave Barry, 2010-07-28 What caused the American Revolution This is indeed a rhetorical question that for many years historians have begun chapters with As well they should For the American Revolution is without a doubt the single most important historical event to occur in this nation except of course for Super Bowl III Jets 16 Colts 7 This historian won 35 So goes the skewed sensibility the muddled mind the bent pen of one of America's funniest writers Dave Barry This time his subject is U S history the way it's never been told before Every single momentous event and crucial moment is covered including The Birthing Contractions of a Nation Kicking Some British Butt Barging Westward The Forging of a Large Wasteful Bureaucracy Deep Economic Doo doo The Fifties Peace Prosperity Brain Death and right up through the scintillating Reagan Bush years during which Mr Barry notes America is steadfastly Napping Toward Glory If you love to laugh if you love your country if you are unaware that the Sixth Amendment states that if you are accused of a crime you have a right to a trial before a jury of people too stupid to get out of jury duty Dave Barry Slept Here is the book you've been waiting for since 1776 Or at least since Super Bowl III Praise for Dave Barry Slept Here A dazzling performance Barry is brilliant The Washington Post Book World Dave Barry turns his formidable wit to the subject of American history with a result reminiscent of the Reduced Shakespeare Company The better you know the original the funnier it gets Los Angeles Times I fear that Mr Barry's dream of making millions of dollars through mass sales of his book to a captive audience of innocent schoolchildren will not be realized and he will have to be content with making readers laugh a lot as this one did The New York Times Book Review

Dave Barry's Greatest Hits Dave Barry, 2010-07-28 When Dave Barry is on the loose no one is safe What Dave Barry did for the men's movement in his Complete Guide to Guys and for foreign relations when he did Japan he now does for everything in America The rapacious observer of Tupperware ladies and leisure concept salesmen sounds off on Football Football is more than just a game It is a potential opportunity to see a live person lying on the ground with a bone sticking out of his leg while the fans to show their appreciation perform the wave Sailing There's nothing quite like getting out on the open sea where you can forget about the hassles and worries of life on land and concentrate on the hassles and worries of life on the sea such as death by squid Gambling Off Track Betting parlors are the kinds of places where you never see signs that say Thank You for Not Smoking The best you can hope for is Thank You for Not Spitting Pieces of Your Cigar on My Neck The good news he's funny as ever The bad news the book is only 304 pages Los Angeles Daily News

Class Clown Dave Barry, 2025-05-13 America's most beloved wiseass finally tells his life story with all the humor you'd expect from a man who made a career out of making fun of pretty much everything How does the son of a Presbyterian minister wind up winning a Pulitzer Prize for writing a wildly inaccurate newspaper column read by millions of people In Class Clown Dave Barry takes us on a hilarious ride starting with a childhood largely spent throwing rocks for entertainment there was no internet and preparing for nuclear war by hiding under a classroom desk After literally getting

elected class clown in high school he went to college where as an English major he read snippets of great literature when he was not busy playing in a rock band it was the sixties He began his journalism career at a small town Pennsylvania newspaper where he learned the most important rule of local journalism never confuse a goose with a duck His journey then took a detour into the business world where as a writing consultant he spent years trying with limited success to get corporate folks to for God s sake get the point Somehow from there he wound up as a humor columnist for The Miami Herald where his boss was a wild man who encouraged him to write about anything that struck him as amusing and to never worry about alienating anyone His columns were not popular with everyone He managed to alienate a vast army of Neil Diamond fans and the entire state of Indiana But he also developed a loyal following of readers who alerted him to the threat of exploding toilets not to mention the fire hazards posed by strawberry pop tarts and Rollerblade Barbie which he demonstrated to the nation on the David Letterman show He led his readers on a crusade against telemarketers that ultimately caused the national telemarketers association to stop answering its own phones because it was getting irony alert too many unwanted calls He has also run for president multiple times although so far without success He became a book author and joined a literary rock band which was not good at playing music but did once perform with Bruce Springsteen who sang backup to Dave As for his literary merits Dave writes I ll never have the critical acclaim of say Marcel Proust But was Marcel Proust ever on Carson Did he ever steal a hotel sign for Oprah Class Clown isn t just a memoir it s a vibrant celebration of a life rich with humor absurdity joy and sadness Dave says the most important wisdom imparted by his Midwestern parents was never to take anything too seriously This laughter filled book is proof that he learned that lesson well
