

DAVID KIRSCH'S NUTRITON PLAN

For extreme results ...

FOLLOW MEAL SCHEDULE A FOR 14 DAYS

For 14 days	Follow the A, B, C's of Nutrition: No Alcohol, Bread, Starchy Carbs, Extra sweets including soda, fruit juice or other sweeteners, Fruits and most Fats, and no coffee. After 14 days, move to plan B for 1-2 weeks and then to plan C indefinitely
Breakfast	Start your day with protein – either a protein shake (preferably whey protein) or egg whites. Supplement with a multivitamin or an equivalent like my Vitamin Super Juice, and calcium (since you'll be cutting out dairy.)
AM Snack	High protein snack such as 3 oz. canned tuna, chicken, hard-boiled eggs or 10 almonds.
Lunch	This should be your largest meal. Stick with lean sources of protein, like 6 oz. chicken, turkey or fish along with a half plate of low starch vegetables like spinach or broccoli. Dress it with plain vinegar or lemon mixed with olive oil.
Midday Snack	Enjoy another high protein snack. For an extra energy boost, supplement with ginseng and/or Vitamin B-12. (My B-12 Spray, Afternoon Energy, Energy Bubbles, Thermo Bubbles contain these ingredients.)
Dinner	You should get most of the calories your body needs earlier in the day. That's why I recommend ending your day with a protein shake. This also gives your body the amino acids they need to repair themselves. If you don't want a shake, go for a small, 6-oz. portion of protein (chicken, turkey, fish, shrimp), along with steamed green vegetables or a mixed green salad.

His new book, David Kirsch's Ultimate Family Wellness, is sure to help keep you and your family on track for a fun, healthy, and fit life. Jeff Gordon: I have worked with and known David for over three years and consider him not only my fitness/wellness guru but more importantly, my trusted friend. No matter your age or physique, David's new book, David Kirsch's Ultimate Family Wellness, can help you get results and look and feel your best without sacrificing time with your friends and family. It worked for me; it can work for you. I have had the pleasure of spending a lot of time with his daughters, Emilia and Francesca, both in and out of the gym, and have seen how David has so beautifully taught and exposed them to a healthy and fun lifestyle. On a lighter note, Francesca can still kick my butt when it comes to pushups. I have also been a guest at one of his sumptuous Thanksgiving family and friends dinners and can vouch for his fine culinary acumen. It was one of the healthiest, most delicious home-cooked meals I

have ever eaten I can't wait to try the new recipes and encourage you to experience David's 5 minute plank workout It helps shape and tone my body in no time Kate Upton **The Ultimate New York Body Plan** David Kirsch, 2005 The breakthrough diet and fitness system that sheds pounds and reshapes your body fast *The 3-Hour Diet* Jorge Cruise, 2011-09-20 It's a fact the low carb craze is everywhere Another fact two thirds of Americans are still overweight and no one is getting thinner Although low carb diets produce short term weight loss the results are not sustainable in the long term Dieticians fitness experts and medical publications are slowly awakening to the fact that the low carb diet isn't the answer to weight loss nor a solution to the obesity epidemic What is the solution Jorge Cruise's THE 3 HOUR DIET reveals that timing is the revolutionary weight loss element that has been kept secret until now By eating small balanced meals every three hours you reset your body's metabolism and achieve amazing results Eating every three hours turns off your starvation protection mechanism ensuring that fat is released and fat burning muscle preserved So get ready to lose 2 pounds each week All with no calorie counting no starvation and no deprivation Bottom line timing will sculpt your body slim With his now trademark easy to follow instructions accessibility and client success stories Jorge Cruise's THE 3 HOUR DIET is a fluid combination of proven success and categorical innovation Weight loss has never been easier **The Shopping Diet** Phillip Bloch, 2010-08-17 Stop me before I shop again When the clothing budget is tight when you have to squeeze every dollar and stretch it further it's time to go on The Shopping Diet But don't worry This diet won't deprive you of having a fashionable and up to date wardrobe in fact you will find exciting ways to look fantastic make more of the clothes and accessories you already have and come out ahead with the one thing that's always in style more money in your wallet Whether you're an impulse shopper whether you shop out of boredom or other emotions or if the tough go shopping has always been your motto you may feel that you simply have to shop that there are never enough clothes or the right clothes to make you feel complete confident and in control But in tough economic times there is a better way a whole new lifestyle of evaluating your true wardrobe needs making smart choices and changing your spending habits from the inside out The results More time no more Saturdays spent wandering the mall aimlessly more space your closet makeover will turn that priceless piece of real estate into your favorite go to boutique and more cash or if you prefer less credit card debt Now that's being in control Premiere celebrity stylist Phillip Bloch's unique and thought provoking approach to looking great for less gives you fascinating insights and practical solutions to the very real problem of overspending that affects millions of people The Shift Tory Johnson, 2025-05-01 This inspiring 1 bestseller is a gutsy look at what it takes to undo a lifetime of self sabotaging habits and feel great about the change and yourself Good Morning America contributor Tory Johnson is all about helping women make great things happen And after a lifetime of obesity of failing at fad diets and sporadic health programs Tory was ready to make great things happen for herself making the shift by recognizing that it was time to lose weight once and for all and do it her way In twelve months she lost more than 60 pounds and for the first time shares what she learned what she ate and how
