The Courageous Ocelot Trilogy Mark Mulle,2017-04-12 GENRE Children s Adventure An Unofficial Minecraft Book for Kids Ages 9 12 Preteen Book 4 A World In Peril Lilly the Ocelot hasn t written anything in her Diary for two years Since the last time she wrote Lilly went through a big adventure with her friends and family They fought against a tyrant known as Loki who ruled the North and East City and viciously destroyed almost all forest biomes in the world But thanks to the West City

residents led by their Mayor Edd and Lilly's friends they defeated Loki and restored peace and the environment flourished in the server. But now a new threat appears this time not in a human form. The reforestation isn't doing a good progress and somehow the trees and saplings keep dying constantly. Edd and Greg who lead the three cities together have been putting all their efforts into restoring the forests to no avail. Now Lilly joins the duo once more in their quest to save the world from an invisible threat. What could be happening to the forest? How can they save the biomes? And what exactly is destroying the trees?

Book 5 The Mysterious Wizard Lilly the city leaders Greg and Edd have a new mission. Their goal is to discover the mysteries surrounding the deforestation of the server. All of their efforts in restoring the forest have been in vain and they're desperately trying to understand what went wrong. That's when the villain Loki comes in. Loki offers them a deal: he will tell them everything he knows in exchange for his freedom. Not having any other option available, the trio accepts the offer. According to Loki, there was a mysterious villager who could speak to humans living in an old village in the middle of the map. This old villager foretold the power of an unknown tree capable of controlling the weather and environment of a server. The group had to find this villager and ask him in person how to proceed. If this rare tree was destroyed by the woodcutters, how could they retrieve it? Where would they find it? And if they didn't, what would happen to their world?

Book 6 The Real Guardian After leaving their city, Lilly, Greg, and Flask are on a new mission to save their world. The trio must retrieve a Supreme Tree from a foreign server, which can be done upon crossing the place known as The Border. There, the trio finds themselves in a city governed by a man called Martinez. According to Martinez, there is a strong wizard living in a cave not far from there who has many Supreme Trees in his possession. The wizard stole the Supreme Trees from their city and now they want them back. Shall Greg defeat the wizard? Martinez will grant the group a Supreme Tree as a gift. The deal sounds really simple, and all Greg has to do is defeat the wizard and return for his prize. But the wizard has different plans for them. And what seemed to be a simple and easy plan becomes a messy situation where the trio gets caught up in the middle of a conflict between Martinez and his citizens against the wizard. What exactly is going on in this server? Who can they trust? Who is the real guardian of the Supreme Trees?
