Catherine of Siena-- Passion for the Truth, Compassion for Humanity Saint Catherine (of Siena), 1993 old o p edition Please order new edition Catherine of Siena 978 1 56548 235 7 **Theology after Postmodernity** Tina Beattie, 2013-10-04 Theology after Postmodernity is a ground breaking study that has the capacity to transform the relationship between psychoanalytic theory and Christian theology Reading the theology of Thomas Aquinas in close engagement with the psychoanalytic theory of Jacques Lacan Tina Beattie shows how Thomism exerted a formative influence on Lacan and she also shows how a Lacanian approach can bring rich new insights to Thomas's theology A growing number of English speaking scholars now recognize the extent to which twentieth century French theorists and philosophers were influenced by medieval theology and there have been several studies of Jacques Lacan's Thomism However this is the first study published in English to bring a Lacanian feminist perspective to bear on the theology of Thomas Aquinas Focusing on the centrality of desire in Thomas's theology and Lacan's psychoanalytic theory Beattie follows Lacan along an overgrown and often hidden path through the changing configurations of desire gender and knowledge from their Aristotelian formation in the medieval universities to their fragmentation in the collapse of modernity's visions and values Beattie offers a penetrating critique of Thomas's Aristotelianism but she also excavates the mystical treasures within his theology This enables her to show how Thomas's God remains an unconscious but potent influence in the shaping of modern western thought and to ask what transformations might be needed in order to bring about a Thomism for our times Probing beneath the surface of Thomas's *Summa Theologiae* and other writings she brings to light the Other of Thomas's One God an incarnate maternal Trinity who emerges when Thomas's Aristotelian ontotheology is suspended and the more neglected aspects of his doctrinal and theological insights are allowed to emerge Lacan makes possible a renewed Thomism which offers a rich theology of creation incarnation and redemption capable of responding to some of the most urgent and far reaching challenges that questions of gender nature and God pose to Christian theological language in its classical and postmodern formations **An Anthology of Saints** William J. Bausch, 2011-10 Saints are a significant part of our heritage revered figures of our Christian culture according to Father Bill Bausch Long before television the cult of saints dominated the popular imagination they were and

are our Christian celebrities He says that while modern celebrities point to and celebrate themselves the saints point to or wrestle with something more beyond appearances some one more They are mirrors to another reality Whatever their history at least once in their lives saints heroically leap beyond their pride self absorption and even the instincts of self preservation into a fullness of sacrifice generosity and love that takes our breath away Bausch covers 50 of these saints here in this beautifully written anthology *Saints Preserved* Thomas J. Craughwell, 2011-07-12 A fascinating HuffPost tour of the sometimes surprising ancient relics left behind in the modern world from the Crown of Thrones at Notre Dame to the skeleton of a Roman martyr enshrined in a cathedral in Los Angeles A finger a lock of hair a crucifix a chalice if such items belonged to a saint they are considered to be relics and as such are venerated by the Catholic Church Anyone who thinks that relics are remnants of the Middle Ages should log on to eBay On any day of the week the online shopper will find a thriving business in the sale of these items ranging from the dust from the tomb of Christ to splinters of the True Cross to bone fragments of countless holy men and women In *Saints Preserved An Encyclopedia of Relics* author Thomas J Craughwell takes us on an exhilarating journey through the life and death of more than three hundred saints and along the way enlightens us about the sometimes strange bits and pieces that the saints left behind Including entries on the famous Saint Peter Saint Francis Saint Th r se of Lisieux and the not so famous Saint Foy Saint Sicaire Saint Chrysogonus *Saints Preserved* also features information on such notable relics as the Holy House where Jesus Mary and Joseph lived the Holy Grail and the seven places that claim to possess the head of Saint John the Baptist among them a mosque in Damascus Moreover this book includes major relics that are enshrined in the United States From the extraordinary Aachen relics to the remains of Saint Zita *Saints Preserved* is an indispensable compendium for spiritual seekers history buffs and anyone interested in deepening their understanding of the Catholic faith
