

A manual tire changer machine, also known as a tire press, is the central focus of the image. It is a heavy-duty, red-painted metal device with a sturdy frame and a central vertical post. The machine features a large, circular, light-colored metal disc at the top, which is used to hold the tire in place. A long, thin metal rod extends from the top of the post, likely for adjusting the pressure or tension. The machine is mounted on a base with a circular, light-colored metal disc. In the background, there are white metal lockers or cabinets, and a yellow step ladder is visible on the left side. The floor is a light-colored, possibly concrete or polished wood. The text "MANUAL TIRE CHANGER" is overlaid in large, bold, red, 3D-style letters on the right side of the image. The text "COATS TIREMAN" is overlaid in large, bold, red, 3D-style letters on the bottom left side of the image.
