Crowdfunding The Next Big Thing

Katharina Wolfrat

Crowdfunding The Next Big Thing:

Crowdfunding Gary Spierer, 2013-12-05 In *CrowdFunding The Next Big Thing* money raising expert Gary Spierer reveals the secrets of raising capital in the digital age. He outlines the ins and outs of the five major capital raising strategies including how the current Kickstarter type crowdfunding differs from crowdfunding equity. The new world of crowdfunding equity can be hard to navigate due to numerous regulations and the challenge of keeping crowds engaged. Crowdfunding start ups is a platform made possible thanks to the recent JOBS Act. Now even the small guy can invest in early stage companies and potentially strike it rich with the crowdfunding platform and the investing and business building tools provided in *CrowdFunding*. Spierer guides readers through the seven steps that any start up business can employ to ensure success in raising money and building a business. With a great idea and design a start up needs to thoroughly and repeatedly research and pretest its product in the marketplace until the ideal niche is narrowed down in order to attract the most customers. Spierer points out that too many entrepreneurs believe that if you build a field of dreams they will come. He shows in detail how to drive traffic, get them to come to your field of dreams and stay. In *CrowdFunding* entrepreneurs will learn about successful pitches and how to pitch concepts in person or on crowdfunding websites. They will learn how and when to use one or more of the five money raising strategies in the digital age. According to Spierer, the perfect pitch comes from refining and distilling core ideas over and over. They will also learn about the new SEC regulations imposed to protect investors. Spierer lays out all of the exciting new platforms for marketing a product or service start up interactively via the infinite possibilities and fluctuations of social media, mobile and the web. He explains how to work with the savvy consumer of today who expects to be part of the marketing conversation. Spierer's book shares the secrets that venture capitalists have employed to identify potential blockbuster investments and how the same approaches can be deployed in analyzing crowdfunding opportunities.

Crowdfunding - The Next Big Thing? Katharina Wolfrat, 2013-07-03 Crowdfunding is not only interesting for entrepreneurs who want to raise money but also for the crowd people who are attracted by this phenomenon and for future investors. Being an entrepreneur is exciting and crowdfunding seems to be a fantastic option of financing a new venture. Therefore the following question occurs: Start up Crowdfunding The next Big Thing. Katharina Wolfrat first gives an overview of the crowdfunding scene in Germany. Then she interviewed experts in this area and presents the results of the conversations. In the end there are many advices for entrepreneurs who think about using crowdfunding as financing model for their start up.

Crowdfunding Gary Spierer, 2014 In *CrowdFunding the next big thing* you will discover how launching a new product and captivating a crowd is similar to understanding the business models of American Idol, The Voice, The X Factor and Shark Tank.
