modern paintings many from rare archives this book explores the Temple of Solomon in the Hebrew Scriptures the New Testament and Apocryphal writings as well as its role in the founding of Freemasonry the legends of the Knights Templar the doctrines of the Kabbalah and Muhammad's visionary journey from the Temple Mount through the heavens Seeking to understand the powerful desire of many religions and secret societies to re create the temple through ritual and prayer James Wasserman explains why it was built the magical forces King Solomon may have used in its creation what its destruction meant for Jews and Christians alike and why the Knights Templar as well as several modern secret societies named their orders after it Detailing the sacred architecture of this perfectly proportioned mystical edifice through words and art the author reveals the Temple of Solomon as the affirmation of God's presence in human affairs the spiritual root of Western culture and an important monument to the Divine nearly forgotten in today's secular times but sorely needed to bridge the divide between our ancient past and our spiritual future [The Scattered Nation and Jewish Christian Magazine](#)
