Charlotte's ex just gate-crashed her vacation. The Island Escape Series of standalone romances, Book 1. Celebrity blogger Charlotte Jones is having a bad year. She's been trampled in a riot, her therapist has told her to take a break from work, and she's developed a crushing case of anxiety. If she can just make it to her holiday hotel in Oahu, everything will be okay, or not. When she boards her plane, she finds herself strapped into a seat next to the man who sold her out nine years ago. Hotel executive Jack Diamond is having a bad year. He's used to pressure, running the global family business, supporting his widowed mother, and trying and failing to make his little sister understand why her grungy boyfriend is bad news are problems he can cope with. But the police just called to tell him his general manager might be a crook, his mother's had a stroke, and his latest business deal is going bad. If he can just make it back to the family hotel in Oahu, everything will be okay, or not. He boards his plane and finds himself strapped into a seat next to the woman who ripped a hole in his heart nine years ago. Jack and Charlotte are in for some turbulence as old hurts and rekindled passion gate-crash their plans. And just when it seems they may finally overcome their past, a tropic storm threatens to wipe out their chance of a future. Here's what readers think. Fleur says, "I can't wait to read more of this series. This was a great read with characters you will love and want to throttle at the same time as lordy, they do love to conclusions lol. If you love second-chance romances, then this is the book for you." Charlotte decides to take a couple of weeks off on a tropical island to decompress and relax after a horrible event that left her with panic attacks. Unfortunately for her, things go wrong before she even gets on the plane, and that is where we begin our adventure of tormented love, attraction, deception, laughs, frustrations, and the chance at being happy. This is a fantastic start to this series, and I can't wait for the next book to see what happens with Sabrina. Carmen says, "Loved this. By Carmen, I don't always love second-chance romances, but I adored this one. This book is full of heart. You can feel their pain, and their chemistry is out of this world. I got sucked in so fast I can't wait for more." The Island Escape Series, Book 1, Tropic Storm, Charlotte Jack. Book 2, Stowaway, Sabrina Ben. Book 3, Island Fling, Antonia Tyler. Christmas Novella, Catching Snow, Ryan Lisa. Exactly what I love to read. Jack and Charlotte are interesting characters with a past that's always a winner in my mind. Good job. This was a read that I couldn't put down. This author has a real grip on romance writing. I didn't want the story to finish. Stella Quinn brings you the first three of her award-winning Island Escape Series. Tropic Storm won the RWA Sapphire Award in 2019. Stowaway came second in the RWA Emerald Award in 2018 and was a RUBY Romantic Book of the Year finalist in 2020. Island Fling won the Valerie Parv Award in 2018.
