Conflict and Catholic Social Ethics Taylor J. Ott,2024-11-01 This book focuses on the question of how to understand conflict and its place in Catholic and Christian social ethics The author examines Catholic social teaching CST for its explicit mentions of conflict or contention and analyzes the way that CST addresses the subjects of peace labor and environment While CST offers precedent to think about conflict within the frame of Catholic ethics its lack of explicit engagement remains a major obstacle to a full rich and concrete understanding of the fabric of society and the work of social justice Any social ethic that is not informed by the presence of conflict misses a major dynamic in society and therefore leads to ethical judgements that are at best inadequate and at worst actively harmful Building upon the insight of respected thinkers within Catholic social thought this study is based on an interdisciplinary method that engages sociology political theory postcolonial theory and intersectional feminist ethics The book will be of particular interest to theological ethicists and those who work with modern CST

The Modern Schoolman, 1965 **Living Parables** Mark G. Boyer, Corbin S. Cole, 2020-12-04 Living Parables Today's Versions presents parables in updated language and images Biblical parables are culture bound they are embedded in images that were well known to a Jewish culture Jesus was a first century Jewish Galilean peasant and his concerns speech and idioms belong to that culture His milieu is far removed from ours today The images found in parables carried meaning that is lost on modern audiences A simple example will suffice In the Jewish world of the first century leaven was considered to be corrupt because people did not understand how bacteria worked On the most important day of the year Passover bread had to be unleavened uncorrupted Today no one thinks of yeast in that way If we want bread dough to rise we need to leaven it Therefore what image might Jesus use today that carries some of the same cultural connotations that yeast or leaven carried in his world Might he speak about Ebola virus or radioactivity Those images carry the same negativity that yeast or leaven bore in his world This book contains parables found in the New Testament in a form that Jesus might tell today
