advice on issues that are often overlooked in training It offers guidance on tackling common pitfalls and difficulties as well as a wealth of practical tips and techniques for practice

Take My Hand Again Nancy Parker Brummet,2015-03-03 The guide the author wishes she had when she took on a caretaker role By 2020 the senior population in this country will number over 115 million Despite this persistent graying of America few adult children feel prepared to take on the role of caregiver for aging parents Those who discover they must now intervene and care for an elder they love are often at a loss Trying to navigate the transition is like being dropped in a foreign country with no map no GPS and no translator and acting as tour guide Nancy Parker Brummett knows what they re going through and has the means to help She shares her own experience of caring for a mother and mother in law in assisted living as well as lessons learned through study of the academic social and political issues involved Each chapter begins with relevant Scripture but the useful information here is not limited to people of faith Take My Hand Again offers readers the warm feeling of having someone they trust stepping up to hold their hand and share encouragement and hope Children of the aging don t need a degree in gerontology they just need for someone to ask the pertinent questions and give them an overview of the pros and cons of common options so they can make informed decisions Whether they ve already had their wake up call or just want to be prepared for what s to come Brummett s sometimes humorous sometimes poignant book has just what they re looking for

Social Work Diagnosis in Contemporary Practice Francis J. Turner,2005-02-10 The unifying theme of this broad reaching volume is that responsible ethical and effective social work practice rests on the diagnostic skills of the practitioner Social work diagnosis refers to the conscious formulation of an ongoing set of decisions about the client and his or her situation which serve as the basis for intervention decisions for which the practitioner must be prepared to take responsibility Diagnostic skill development is an ongoing process principally enhanced by a continuous commitment to remain at the cutting edge of the profession s body of knowledge but one of the challenges for today s practitioner is keeping abreast of the rapidly expanding body of knowledge contained in some 200 important social work periodicals in circulation Francis J Turner a preeminent clinical scholar brings together in one volume some of the best work published since 2000 each reflecting new insights into understanding psychosocial situations and innovative methods of applying knowledge and skills in an increasingly effective manner Each of the 78 articles in this volume highlights some of the critical dimensions of contemporary social work practice guiding clinicians to address four key aspects in order to craft an accurate diagnosis The first section presents articles covering the developmental spectrum each of which fully explains various ages and stages of development The second section focuses on a range of specific situations helping practitioners and students enrich their understanding of different types of problems they meet in contemporary practice whether they are based in mental illness psychosocial issues or physical ailments The third section addresses the crucial component of diversity demonstrating the complexity and critical importance of truly understanding clients and their lives The last section of the book discusses innovative approaches to practice selected to

offer practitioners easy access to the latest interventions for a host of contemporary challenges facing clients and their therapists Broad in scope and tightly focused on the goal of providing the most up to date information necessary for accuracy in the diagnostic process this volume represents some of the best research available to today s social workers Songs My Mother Taught Me Eva Izsak, 2025-07-30 Songs My Mother Taught Me follows protagonist on her final voyage to see her dying mother who is hissing and kicking all the way to the grave Having spent decades trying to escape her heritage by constantly moving around the globe Tokyo New York then Paris the narrator finds herself back in the house she grew up in She is confronted with the epigenetical endowment inherited from her parents experiences and has to come to peace with the looming shadows of the past An epic and lyrical tale that spans from Transylvania in the 1930s through Scarsdale NY to present day Europe Songs My Mother Taught Me touches upon questions of identity immigration and PTSD transmitted down the generations giving voice to those who grew up in the aftermath of their parents trauma
