Handbook of Research on Professional Development for Quality Teaching and Learning Petty, Teresa, Good, Amy, Putman, S. Michael, 2016-06-16 As educational standards continue to transform, it has become essential for educators and pre-service teachers to receive the support and training necessary to effectively instruct their students and meet societal expectations. However, there is not a clear consensus on what constitutes teacher effectiveness and quality within the education realm. The Handbook of Research on Professional Development for Quality Teaching and Learning provides theoretical perspectives and empirical research on educator preparation and methods for enhancing the teaching process. Focusing on teacher effectiveness and support provided to current and pre-service educators, this publication is a comprehensive reference source for practitioners, researchers, policy makers, graduate students, and university faculty.

The ELL Teacher's Toolbox 2.0 Larry Ferlazzo, Katie Hull Sypniewski, 2025-03-05 Set your English language learners up for success with this effective resource. The

ELL Teacher's Toolbox 2.0 is a valuable updated resource that teachers of English Language Learners (ELLs) can use to improve student outcomes. With hundreds of innovative strategies and activities to bring to your classroom, this book can be used with learners of all levels and in any instructional setting. This revised edition provides the latest enhancements to the instructional tools along with 16 new chapters that you can add to your teaching repertoire. New content includes coverage of artificial intelligence, online learning environments, and differentiated instruction. Graphics and visuals make it easy to understand and adapt the content to your unique teaching situation. Written by proven authors in the field, the book is divided into two main sections: Reading/Writing and Speaking/Listening. Each of those sections includes Top Ten favorites and between 40 and 70 strategies that can be used as part of multiple lessons and across content areas. Contains 60% new strategies. Features ready-to-use lesson plans. Includes reproducible handouts. Offers technology integration ideas. For the growing number of ELLs in public schools, effective ELL instruction can mean the difference between long-term academic success and continued struggling. In this book, you'll find countless practical ideas to add to your teaching arsenal or for training and coaching ELL teachers so you can support your students on their journey.
